Girl, 4, Dies in Fire at Home

Flames which spread rapidly through a two-story frame home at 902 Third street, Venice, at 1:50 p.m. Saturday claimed the life of Pamela Lee Clark, four years old.

Her sisters, Barbara Ann, seven years old, and Tina, three, were led to safety by Mrs. Delores Griffin, 118 Kerr street. Mrs. Griffin and police sought to rescue Pamela but were driven back by the heat.

Fireman Eddie Grey found the body of the child lying in the middle of the floor of an upstairs bedroom on the west side of the building. She was between a bed and a door.

The girl was the daughter of Mrs. Beverly Clark of the Third street address and of Charles Clark of Granite City.

Mrs. Clark was telephoning a friend, Margaret Fisher, 209 Ker street, from 902 Third street, next door to her home.

Starts in Living Room
Mrs. Griffin was in the kitchen of the Clark residence and Barbara and Tina Clark were on a couch in the living room. The blaze, of undetermined origin, is believed to have started at the couch.

"The fire covered the house so fast that I wasn't able to do anything," Mrs. Griffin related. She and Mrs. Clark were treated at St. Elizabeth Hospital for shock and were released.

Deputy Coroner Don Simon pronounced the child dead at 2:05 p.m. An inquest is to be held.

Venice firemen estimated the loss to contents and the building at several thousand dollars. They were at the scene from 1:50 to 3:35 p.m. and were called back later in the day.

Born in Granite City, the girl was a lifelong Quad-City resident.

Besides her parents and the two sisters, she is survived by a brother, Vicki Clark, three brothers, Charles Jr., Henry and Wayne Clark; and grandparents, Mrs. Mary Powers of Granite City and Mr. and Mrs. Wesley (Marie) Zeigler of Kewanee.

Funeral arrangements are given in the obituary column.

Operating Engineers Sign New 2-Year Pact

A new two-year contract for members of Local 520, International Union of Operating Engineers, bringing wages to \$8.10 an hour in the second year, has been signed by the union with the Southern Illinois Builders and Contractors Association.

Operators, who have been receiving \$5.85 an hour, will receive \$7.40 an hour in the first year of the contract. Local 520, with headquarters at Mitchell, represents about 200 members. The contract also included gains in health, welfare and pension plans.

Nameoki Electors Meet Tonight on Highway Budget

Opposition by a citizens' group to proposed increases in some appropriation accounts of the Nameoki township highway department has developed in advance of a meeting tonight in which the budget amendments will be sought.

The special meeting has been called for 8 p.m. in the Nameoki town hall by Charles Hanks, township highway commissioner. It will follow the regularly scheduled town board meeting which will convene at 7 p.m. also in the town hall at 4250 Highway 162.

The opposition to higher township road funds came from the Nameoki Township Citizens Committee which urged township residents to attend tonight's meeting to vote for or against the \$68,200 in proposed increases "to set a figure of your own."

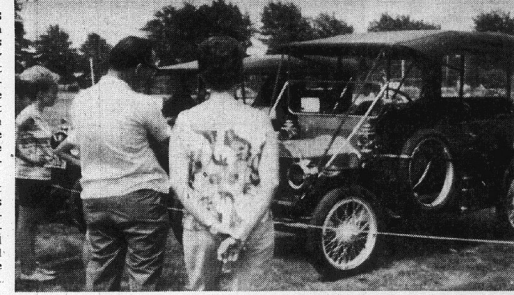

The committee said that it believes there is no need for such an increase for the 1969-70 fiscal year, and that no change in conditions warrants an increase of more than 50% in the budget for the 1970-71 fiscal year.

Hanks is seeking an increase in certain budget accounts of both the current 1969-70 fiscal year, which begins Aug. 31, and the 1970-71 fiscal year, which begins on Sept. 1.

During the last two months the town board has refused to approve a number of highway department bills on grounds that the 1969-70 appropriation for the items is exhausted and that payment cannot be made unless an appropriation is provided.

Refusal to approve the bills does not involve the availability of funds. Hanks said that increases in all highway accounts to meet all outstanding bills of machinery, tractors and equipment will be sought in the 1970-71 permanent road fund budget to increase the total from \$400 to \$18,000; materials and supplies from \$2,000 to \$45,000; rental of machinery, tractors and equipment from nothing to \$10,000; and to increase the treasurer's commission from \$300 to \$700.

In addition, an increase will be requested in the regular road fund to project expenditures for materials and supplies at \$16,500 instead of the \$15,000 presently in the appropriation.

Amended Exemption Law to Increase Loss in 1970 Assessments of Quad-City Area

The Homestead Exemption law extending a \$1500 real estate assessment reduction to taxpayers 65 and older has been amended by the Illinois General Assembly to include several additional categories of property owners who were not eligible for the tax break under the original bill.

The bill, newly signed into law by Governor Ogilvie, will require a special period in which those eligible for the exemption may file applications with township assessors, according to James Barton, Granite City township assessor.

The original legislation, approved in the 1969 legislative session, provided a \$1500 real estate assessment reduction on homes owned solely by persons 65 or older, or owned by such persons as a joint tenant or tenant in common with his spouse and no other person.

Under the amendment, home owners now are eligible if they own the home with such relatives as brothers, sisters and children, in addition to their spouse.

The home owner no longer need be the sole owner to qualify for the exemption; he now may be a co-owner with a divided half or quarter interest in the home.

Others Also Qualify
Others who also qualify for the exemption as a result of the amending legislation are owners of a life interest in a home, persons buying homes under bond for deed, and owners of condominiums or cooperative apartments, so long as they are 65 or older.

Only one exemption is allowed on each home, however, regardless of the number of joint owners of a home who are 65 or older.

Applications for exemptions from this district will be chosen at the regular election on Nov. 3. A vacancy exists by reason of the death on Sept. 27, 1969, of Judge Byron O. House of Nashville.

There was no opposition to Judge Goldenhersh at the convention Friday.

Dale Hilt, chief clerk of the review board, said the requirement for a new application period is certain to cause delay in completion of the 1970 assessment books. He said forms for obtaining exemption applications from the newly qualified home owners have not yet been received from the state department of revenue.

Will Set File Period
When the forms become available, he said, the review board will set a filing period, probably 30 to 45 days. The application period will be under the original bill, will be filed with town assessors.

He is the father of two sons, Richard, a practicing attorney, and Jerry, a senior at Washington University in St. Louis, and has one grandson.

He practiced law in East St. Louis from February 1936 until he became a judge of the Appellate Court on Dec. 7, 1964. As a member of the court, he

Barton's office had no immediate comment on the amendment.

Review Red-Ink Budget Tonight

City Council Finance Committee to Confer With Other Aldermen

A meeting of Granite City officials and city council members to discuss "all aspects" of the 1970-71 budget and appropriation is to be held at 8 p.m. today in the council chambers on the third floor of the city hall.

The informal session, the first for general discussion of the appropriation bill, was called by the Finance Committee of the city council headed by Alderman R. E. Robertson. The budget and appropriation must be approved by the council and published not later than July 31, and formal action is possible July 20 if agreement can be reached.

Alderman Charles Moerlein, a member of the Finance Committee, said the meeting will be open to the public.

He said the Finance Committee has been conducting a series of meetings with department heads and other council members to obtain estimates on projected expenditures for the current fiscal year.

\$2.9 Million Proposal
The only budget figure presented thus far is that contained in an appropriation measure prepared by Mayor Donald Partney, calling for a total of \$2,900,000 for the 1970-71 fiscal year. The city's fiscal period began May 1 and will continue through next April 30.

Partney's proposed budget is a cut of \$814,806 below last year's record appropriation of \$3,745,143.

Bulk of the reduction is in the sewer maintenance account, which the mayor has projected in his budget draft at \$227,500, a cut of \$390,150 below last year's sewer maintenance budget of \$628,500.

The record appropriation last year was required for all police and fire department employees, with other increases on the basis of a flat \$50 per month across-the-board for all police and fire department employees, with other increases on a proportionate percentage basis.

The budget does not include any local improvement items. These customarily are added to the budget by council members over opposition of the mayor.

Partney has maintained that local improvements should be suspended due to the city's present financial dilemma.

Projects Deficit
On the basis of the city's projected income for the 1970-71 fiscal year, the budget presented by Mayor Partney reflects a deficit of about \$300,000.

\$162,380 Values Set in Township Building Permits

Sixteen building permits listing values totaling \$162,380 were issued during June for new construction in Nameoki and Chouteau townships, by Jack Clifford, Madison county building official.

A total of 106 permits showing values of \$1,475,400 were issued by Clifford during the month for all unincorporated areas of the county.

Included were 69 homes, \$1,254,400; 20 additions and garages, \$44,550; one duplex, \$20,000; five businesses and commercial, \$131,200; one church, \$2900; three advertising signs, \$4000; four miscellaneous, \$12,050; and two for racing structures.

Eleven permits, including seven for new homes, were obtained for Nameoki township, with costs of \$152,280, and the other five were for Chouteau township, with costs of \$10,100.

Permits for homes were issued to Russell Lewis, three bricks in Maryville Heights Addition No. 4 at \$17,000 each and one in Foreman Heights at \$19,000; E. C. Barnhart, brick in Northland Estate No. 3, \$30,000; Daniel Graville, brick in Town & Country East, \$27,800; and Wilshire Manor, aluminum siding with brick trim in the third addition to Steelcrest Manor, \$15,000.

Obtaining permits for other purposes in Nameoki township were Herbert Bay, a mobile home in Long Lake Shore, \$10,000; Frances Carney, a mobile home in State Park Place, \$10,000; Frances Carney, a mobile home in State Park Place, \$10,000; and the McNair subdivision, \$300; and Jeanetta Sue D'utey, repair house in State Park Place, \$100.

Issued permits in Chouteau township were Robert Douglas, two mobile homes, \$4000; Charles Schwartz, replace two mobile homes in Chouteau Place at \$2000 each; White Advertising Co., a sign, \$1000; and Carl Young, a garage in Reuter's Little Ranch, \$100.

Await Payroll Payday

Granite City employees apparently will go unpaid on their regular payday Wednesday in a dispute between city council members and Mayor Donald Partney over payment of salaries to two women dispatchers in the police department.

Partney has announced he will refuse to sign any payroll checks this week unless the council agrees to paying the dispatchers.

Population Declines In City Limits

36,086 GC Preliminary Census; 246,126 Total In County, Up 21,437

The population within the city limits of Granite City declined by 3987 persons during the past decade to a new total of 36,086, according to preliminary figures of the 1970 census announced today by the regional census bureau at Chicago. Granite City's 1960 official census total was 40,703.

A similar drop in population at Alton was reported in a new census total of 39,200, a decline of 3847 below the 1960 census of 43,047.

In Collinsville, the census figure for 1970 is 18,810, up 4593 from the 1960 tally of 14,217.

The new figures, announced by Theodore F. Olson, regional census director, showed an increase of 21,437 residents in Madison county during the ten-year period. Preliminary figures show a Madison county population of 246,126 for 1970, compared with 224,689 in 1960.

Olson said official census figures are being computed and will be announced this fall.

St. Clair County Up

Neighboring St. Clair county also showed a population gain, but in a lesser amount than in Madison county. The 1970 census total for St. Clair county was 179,108, an increase of 16,889 over the 1960 figure of 262,509.

The new census figures substantiate earlier indications of a population shift from cities to suburban areas, a factor also borne out by a drop in the East St. Louis population from 81,712 in the 1960 census to 80,018 this year, and a decline of from 750,026 to 688,078 in St. Louis.

But in the Quad-City area, on the other hand, showed a population increase of about 30%, from 703,532 in 1960 to 947,231.

The loss of 14,946 residents in the city of St. Louis was a drop of 19%, while in East St. Louis the population loss amounted to 16.8%.

In Granite City the 9.9% loss in population is a substantial cut below the results shown in an official special census taken here about five years ago. At that time, the special census indicated a population of 38,850, only slightly less than the official 1960 figure of 40,703.

Used Higher Base

Township and city officials, however, used the base of 40,000-plus in population in 1960 to set the salary of Town Assessor James Barton at \$13,000 per year, a salary allowed by an enabling act passed by the state legislature. In cities of less than 40,000, the maximum salary of the township assessor is pegged at a maximum of \$10,000.

Mayor Donald Partney disputed the basis of the preliminary figures, said he believes the figure is too low. He urged anyone who did not receive census forms to report the matter to permit a further check on the figure.

Preliminary figures made public for 21 of the largest cities in the St. Louis metropolitan area showed population losses in six and gains in 15.

Mayor A. J. Cervantes of St. Louis described the figures as disheartening, but said he hoped they would dramatize the fact that St. Louis and other large core cities of the nation are in a "crisis situation."

Rev. Surbey to Head Neon Optimist Club

Rev. Paul Surbey was elected as president of the Granite City Optimist club Thursday night at the Rose Bowl.

Other officers for the 1970-71 year are Leo Konzen and Ted Ellerman, vice-presidents, William Moncal, secretary, Rev. James Craddock, treasurer, and Gene Woods, sergeant-at-arms.

President, announced that this Thursday's meeting will take place at Don Farrington's home at Dunlap Lake, Edwardsville.

The following week, Gene Sternberg sr. will be guest speaker. His topic will be a report on his trip to Hawaii with the U. S. Navy.

JOSEPH GOLDENHERSH

Goldenhersh Is Democratic High Court Nominee

Delegates selected by the Democratic Central Committee of the 37 counties comprising the Fifth Judicial District of Illinois met at Augustine's restaurant in Belleville Friday and nominated Joseph H. Goldenhersh, an Appellate Court judge of the Fifth Judicial District, as the Democratic candidate for Illinois Supreme Court justice.

A judge of the Supreme Court from this district will be chosen at the regular election on Nov. 3. A vacancy exists by reason of the death on Sept. 27, 1969, of Judge Byron O. House of Nashville.

There was no opposition to Judge Goldenhersh at the convention Friday.

Goldenhersh was born in East St. Louis on Nov. 2, 1914, and has been a lifelong resident of St. Clair county. In 1939, he was married to Maxine Zeigler, formerly of Chicago, with whom he resides at 111 Bluff drive, East St. Louis, Illinois.

He is the father of two sons, Richard, a practicing attorney, and Jerry, a senior at Washington University in St. Louis, and has one grandson.

He practiced law in East St. Louis from February 1936 until he became a judge of the Appellate Court on Dec. 7, 1964. As a member of the court, he

JUDGE HAROLD CLARK

Harold Clark Supreme Court GOP Nominee

Circuit Judge Harold R. Clark of Alton was nominated on the third ballot of a Republican judicial convention at the Vernon Saturday as the GOP candidate for Supreme Court justice of the Fifth judicial district.

The Madison county circuit judge won the nomination after Preston K. Johnson, Belleville attorney, released his pledged delegates from St. Clair and Monroe counties and delegates from three other counties backing a third candidate swung over to Clark.

On the third ballot, Clark polled 350 votes to 199 for Circuit Judge William G. Ewald of Benton; a total of 273 was needed to win nomination.

Clark drew his support from Madison, Bond, Christian, Payson, Franklin, Jackson, Monroe, and Shelby counties. There are 37 counties in the district.

Rural Area Support

Johnson received support from St. Clair, Monroe and Washington counties while Judge Ewald was backed by counties in the rural and eastern section of the district.

Franklin county presented the

Owners of Small Boats in 'Clean Lake' Operation

Owners of small boats in this area have been urged to participate in the third annual Operation Clean Lake Saturday, July 18. The event is expected to result in a clean sweep of all debris along the shores and islands of Alton Lake, from the Alton Dam to 20 miles upstream.

The enterprise is being sponsored by Pride, Inc., an organization concerned with beautification of Alton Lake and nearby communities. General chairman of Operation Clean Lake is Herbert R. Hellrung, Alton. "Last year we collected hundreds of pounds of litter from the beaches," Hellrung said, "with only 100 boats participating. This year we hope to involve several hundred boats."

Hellrung said each boat owner will get a boat litter bag, a large litter collection bag and a supply of trash bags.

"We have involved the St. Louis Power Squadron, the Piassa Council of the Boy Scouts, the Alton Motor Boat Club, the Meramec Canoe Club and the owners of the five dozen harbors on Alton Lake," Hellrung said.

He said the purpose is twofold: not only to clean up the debris left by boat owners and others, but to increase public awareness of the need to keep trash in boats rather than in the water.

Registration blanks have been distributed to all harbor masters along Alton Lake. Boat owners must register to obtain litter bags and other collection materials, which will be distributed to their harbors Friday.

Boat owners who do not dock their craft at any of the Alton marinas may pick up their materials from either of the headquarters marinas—Hide-A-Way Harbor, off Missouri highway 94 and county road 1, just north of Portage des Sioux, or the Alton Motor Boat Club, along Fiasa Creek, seven miles above Alton via the McAdams Memorial Highway.

The Alton Volunteer Emergency Corps will locate its emergency rescue units at the latter location. Owners of safe, high-speed runabouts have been asked to volunteer their craft to transport groups of Boy Scouts to designated scout cleanup areas. July 25 has been set as a rain date.

RIVER FESTIVAL SPOTLIGHT will shine Wednesday night on these seven musicians, known simply as "Chicago." Their jazz-rock concert is set for 8:30 at SIU-SW.

'Chicago' Rock Musicians To Appear Here Wednesday

"Chicago" is coming to SIU-SW. The seven-piece Columbia recording band which cut "Chicago Transit Authority" will be the Mississippi River Festival attraction Wednesday at the local university. The program begins at 8:30 p.m.

Calling themselves "Chicago" after the band's hometown, the artists work together in what was producer, James William Guercio, calls "a creative community." The band has no single star.

Members of Chicago have been together for years and consider themselves a family as well as a work force. They hold to a strict rehearsal schedule and have writing seminars for themselves.

They meet often for discussions relating to performance and material and talk about achievement and goal as it relates to musical accomplishment.

Guercio, who had gone to music class with some of them at DePaul University in Chicago, lured them to Los Angeles where a newspaper critic called the group "the most inventive, hardest blowing jazz-rock orchestra I have ever heard. They are excellent musicians in every way."

Sweet, Sometimes Demonic. "Their concept of musical form is extensive, typified by their three-movement Concerto for Band, in which the instruments solo and play off against each other. The singing is sometimes sweet, but best when it is demonic."

Chicago was the first American group to perform in Albert Hall in London, England, with supporting acts. The rock ensemble received several tumultuous standing ovations, according to a critic of the London Times. "Chicago couldn't leave the hall until it had delivered two encores," the critic reported. "Even then there was a demand for much more."

Chicago members include drummer Dan Seraphine, who

has played with the Woody Herman band and studied percussion at DePaul; Robert Lamm, organ, electric piano and vocals, who studied at Roosevelt University; and Terry Kath, who plays guitar and sings.

Other inhabitants of "the creative community" are Waiters, woodwinds, who earned a degree from DePaul in orchestral clarinet and studied with woodwind players in the Chicago Symphony; Lee Loughnane, trumpet and flugel horn, who studied at DePaul and at the Chicago Conservatory College; Pete Cetera, bass and vocals, who has been playing accordion since he was 12; and Jim Pankow, trombone, who studied at DePaul and Quincy College.

Pankow does most of Chicago's composition and brass arrangements. He formerly played with the Bobby Christian and Ted Weems orchestras. Bill Russo's Chicago Jazz Ensemble and his own jazz quintet.

Heart Ailment Fatal To Gail Phelps, 47

Gail Phelps, 47, of 2033 Delmar avenue, a resident of Granite City for 35 years, died at 4 a.m. Friday at Firmin Desloge Hospital, St. Louis. She had been a patient in the hospital for 12 days for treatment of a heart ailment.

Her birthplace was in Jefferson City, Mo. Mr. Phelps had been employed for two years as a driver for the Granite City Motor Express Co. He was a member of the Third Baptist Church.

MISS DELORES M. BREWER, whose engagement to Emery E. Ackerman has been announced by her parents, Mr. and Mrs. G. Paul Brewer, 1611 Spring avenue.

Engagement of Delores Brewer

Mr. and Mrs. Glendell Paul Brewer, 1611 Spring avenue, are informally announcing the engagement of their daughter, Delores M. Brewer, to Emery E. Ackerman. He is the son of Dr. and Mrs. Elwood L. Ackerman, 2908 State street. Miss Brewer is a graduate of Granite City high school and is attending the Pat Quinlan

Modeling School with plans to become a model of commercial advertising.

The prospective groom is also a graduate of Granite City high school and has just completed work on his bachelor of science degree at the University of Illinois, where he majored in psychology.

Plans are being completed for a September 5 wedding.

MRS. LAWRENCE J. PAPA, the former Susan Teresa Kaman, who was married at St. Mary's Roman Catholic Church in Madison.

Papa-Kaman Wedding At St. Mary's Church

The wedding of Miss Susan Teresa Kaman, a daughter of Mr. and Mrs. Steve Kaman, 1621 Washington avenue, Madison, and Lawrence John Papa, son of Mrs. Helen Papa, 905 Lee avenue, took place at 2 o'clock Saturday afternoon at St. Mary's Roman Catholic Church in Madison.

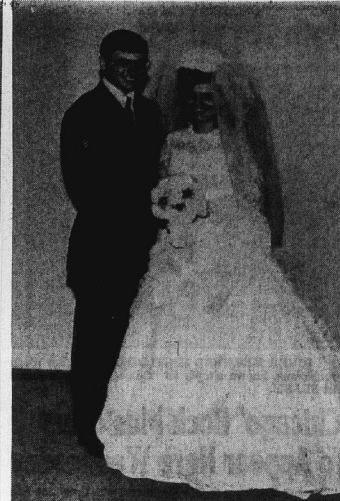

Rev. Sylvester Mick, O.F.M., officiated at the Nuptial Mass before the altar adorned with arrangements of white summer flowers and greenery.

The soloist was Sister Catherine Odehr, who was accompanied by guitars and chorus. The songs were "This Is The Day," "All That I Am," "Happy Are They," "O What A Gift," "Prayer of St. Francis," "Ave Maria," and "Sing Alleluia."

The bride chose a Victorian type gown of ivory silk organza and tulle with a high collar. The high ruffled neckline was trimmed with more of the lace and full bishop sleeves had matching lace appliques down the sides. They were wide-cuffed with tiny ruffles and covered buttons at the wrists. The A-line skirt was detailed at the hem with matching lace, and a detachable cathedral train swept from the high waist.

A lace and beaded Camille headpiece held securely the bride's long ivory veil of imported French illusion and she carried a colonial bouquet of white daisies, baby breath and yellow Sweetheart roses.

Mrs. Marie Kaman, a sister-in-law of the bride, was matron of honor, serving with three bridesmaids, Mrs. Kathleen Montgomery, Miss Lisa Kaman, the bride's niece, and Miss Roberta Papa, the bridegroom's niece.

SGT. AND MRS. DONALD BARTOW, who were married at the home of the bride's parents, Mr. and Mrs. Lynn Collins, 2423 Hemlock avenue. His parents are Mr. and Mrs. E. E. Conner, 3022 Circle drive. The bride is the former Laura Jean Stuart.

Straka-Johnson Vows Heard in Charleston

An out-of-town wedding of interest here was that Saturday evening in Charleston, Ill., of Miss Heather L. Johnson, daughter of Mr. and Mrs. K. F. Johnson, 802 East Crestwood drive, and Joseph W. Straka III, whose parents are Mr. and Mrs. Joseph W. Straka Jr., 2454 Delmar avenue.

Rev. John Franklin officiated at 8 o'clock at St. Borromeo Catholic Church and an informal reception was held afterward.

The church was decorated with yellow and white flowers and attendants for the bride were Mrs. Douglas Dunbar, a sister, matron of honor, and Vicki Fobdler and Anne Jenkins of Millington, N. J., and Edwardsville, respectively, bridesmaids. Heather Anne Dunbar, a niece of the bride, was flower girl.

The bride wore a simple white dress with a high neck, puffed sleeves with daisy trim and a flowered garden hat. She carried daisies. The attendants were in pastel shades.

Mark Hoebebecke, the bridegroom's nephew, was best man and Ken Hoebebecke, another nephew, and James Rinnert of

BPW Delegates Go to Hawaii

An "Aloha voyage" party was held in the home of Mrs. Mary Batson, 3117 Aubrey avenue, last week for Granite City B&PW members who are delegates to the national convention in Hawaii. They, with other members of the club, left Saturday and will return on Sunday, July 26.

Delegates are Mrs. Batson, vice-president of District 14, and Mrs. Pauline Weir, second vice-president of the local club. Alternates are Mrs. Verna Lengyel, a past president, and Mrs. Lorene Sadrakula, corresponding secretary of the local club.

Other members who attended are Mrs. Ruth Walk, Mrs. Sunshine Scruggs, Mrs. Genevieve Grady and Charles Batson.

The State B&PW Federation will support the Granite City candidate, Miss Jean McCarey of Villa Grove, Ill., for the office of national second vice-president. The Illinois delegation will have approximately 300 in attendance.

Also held last week was a meeting of officers and board members of Granite City B&PW to discuss the theme for the year, "Air of Responsibility," and make plans for events to take place in 1970-71.

STUMPE-GILBERT WEDDING ANNOUNCED

Mrs. Florence Gilbert, 2840 Edgewood avenue, is announcing the recent marriage of her daughter, Miss Helen D. Gilbert, to Raymond J. Stumpe of Keokuk, Mo.

The wedding took place July 3 in a private ceremony in the chapel of Central Christian Church, 3020 Johnson road, with Rev. James R. Craddock officiating.

The couple was attended by Mr. and Mrs. William Gilbert, a brother and sister-in-law of the bride.

Mr. and Mrs. Stumpe will reside in Keokuk where he is employed. The former Miss Gilbert will continue her work as state secretary for the Christian Women's Fellowship in Missouri.

for the current year, even if the city borrows the full \$225,000 available from the working cash fund.

Finance officials earlier this year estimated that the city will receive about \$1,382,000 from the tax collections now under way. From this revenue, the city must repay \$225,000 it owes the working cash fund, leaving a potential net tax income of \$1,157,000.

Other revenue projected during the current year includes \$605,000 in sales tax, \$250,000 in state income tax, \$45,000 from parking meter operation, \$176,000 in tax commission, \$40,000 in lieu of taxes, \$80,000 from stickers, fines and other sources and \$140,000 for licenses, permits and revenue from other city departments.

The tax revenue combined with funds from other sources, provides an expected income of \$2,450,000. The city would be able to borrow back the \$225,000 it repaid the working cash fund out of tax receipts, providing a potential net income of \$2,675,000.

The projection of 1970-71 revenue did not include any balances from the 1969-70 year. City officials do not anticipate balances of any substantial amount, however, due to the shortage of funds created by nearly \$1 million in sewer repair bills during the 1969-70 fiscal year.

Pure Air Demonstration Proposal by Ill. Power

Illinois Power Co. has filed with the Illinois Commerce Commission a proposal that the company install a demonstration unit of the Monsanto Enviro-Chem-Cat-Ox method for removing sulfur oxides and particulates from power plant stack emissions at 12½ Wood River power station, it was announced today.

Wendell J. Kelley, president, said that if the commission approves, the demonstration will be an "investment in the future." IP will share the cost of the installation and its demonstration with the National Air Pollution Control Administration, an agency of the federal government. Cost will approximate \$6,000,000. IP's cost share will be \$3,000,000.

Journalism Courage Award to Wm. Schanen

A Wisconsin publisher who lost two of his three newspapers but survived an advertising boycott is the 1970 recipient of the Elijah Parish Loring Journalism Award for Journalism. Josephine Walker, Joyce Garrett and Bonnie Davis, in the 400 block of West Third Street, Food Market Burglary.

An undetermined amount of money was stolen from cash drawers and registers in a burglary of Cohen's market, 2301 Broadway, at 9:30 p.m. Thursday, it was reported at 7 a.m. Friday.

The burglars were being investigated to determine the loss. The burglars gained entry from the second level to avoid a burglar alarm.

A window glass was lifted out of a store room at the rear of the second floor, and a 10x20 inch pane was cut in a door leading to the bottom of a staircase. A nother hole, 12x20 inches, was cut between alarm wires installed across another door. The office was missing.

A break-in occurred at the apartment of Mrs. Carolyn M. Mahan, 1418 Third Street, Madison; the home was ransacked but nothing apparently was stolen. It was reported at 7:20 a.m. yesterday. Before the intruders left, they extinguished the pilot light on the kitchen range and opened the gas burners.

Venice House Burglary
Burglars broke into the home of George Moore, 501 Main Street, Venice, and stole two radios, a pair of shoes, a man's suit, a tape recorder, a fishing reel and a table lamp. It was reported at 5:15 p.m. yesterday.

Two temporary classrooms at new Logan school were entered during the night, it was reported at 8:20 a.m. Sunday. It was not determined if anything was missing.

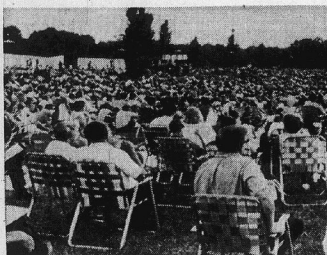

Logan School Burglaries
Burglars broke into temporary buildings at the New Logan school two days in a row. It was reported at 4:40 p.m. Thursday and 8:40 a.m. Friday. The intruders took equipment valued at nearly \$800.

Taken from a portable building in the first case, in which a window was pried, were a 16 mm movie projector, worth \$450; a record player, \$32; an automatic harp, \$40; a case for the harp, \$11; a tape recorder, \$70; two dolls, \$11; and creative playthings, \$17.

Removed from a temporary classroom, entered by forcing a window, was a film strip projector valued at \$76.

Tools and other items valued at \$300 were stolen from the garage of Carl Straub, 2600 Edwards Street, it was reported Thursday. The apartment was entered by loosening a hinge on the bottom of the door and crawling through.

The loot included a set of golf clubs for a truck, \$20; a box of carburetor kits, \$22; an electric saw, \$40; a half-inch drill, \$20; a five-eighths-inch electric drill, \$10; a hedge trimmer, \$25; a set of drill bits, \$28; a set of half-inch sockets, \$80; a bar radio.

MORE ABOUT Amended

mediate estimate of how many additional homestead exemptions can be expected under the amended law. His office received a total of 1325 applications under the original law.

\$3 Million Reduction
On the basis of exemption applications filed with the four Quad-City area town assessors under the original bill, valuation cuts for area will approximate \$3,069,500.

The bulk of this valuation loss will be borne by the townships where the 1325 exemption applications will cause an assessment loss of about \$1,887,500.

The assessed valuation in Venice township will be cut about \$665,000 by the 450 applications filed under the original exemption bill.

Namooki township had 140 exemption applications, accounting for a loss of \$207,000 in valuation, while Chester township will lose about \$210,000 of its property value on the basis of 140 exemption applications filed there.

When a woman gives you more than half the road chances are she's walking. Ecstasy. Cocktail. You can drink all you want and never get polluted. One of the best ways for a woman to find it letting a woman have her way sooner.

What this world really needs is a computer that can figure out all the things in life that don't add up. Air Pollution is no longer to be taken lightly; it affects every person on the face of the earth. It can take your life in a matter of months under extreme conditions and according to many experts by 1990 we may be dead to the sun.

When we don't take drastic steps now to clean up our air and water. One of the most serious air pollutants is industry but a more serious one (if we can establish priorities, I don't think we can hedge) is open burning of leaves and trash and rubbish in our own yards. We are all going to have to make sacrifices. Let's start now before it's too late.

EARL says...

The first days of July have been blessed with cool nights & relatively mild days making for fine fishing weather. Bass are frisky and feeding for longer periods than during the normally hot July weather.

"Worming" for Bass had become a staple in the tactics of BIG bass fishermen. While many fishermen complain that they lose too many bass on the plastic worm, there is a good reason: They fail to envision what takes place when Mr. Big inhales that long slinky worm. When a BIG bass balls up an eight inch worm inside his mouth, and starts munching on it, he's quite a gob of plastic thru which you must drive the hook before the barb reaches the boss's mouth. Thus when he "spits the hook," you may not have actually set your hook completely after all. Setting "twice" using a stiff rod is always good insurance.

I must tell you that EARL's Discount Store, just rec'd a new shipment of Mann's Jelly Worms, the finest 8" extra soft body, "Fleshy" worms on the market. Bass love 'em & you can choose from 6 Blackberry, Grape, Raspberry, Lime, & Blueberry jelly colors.

A final word... this weekend is the last day for our clearance sale on all types of rods, with hundreds to choose from.
THAT'S EARL, BROTHER...

Spalding KOed from Feature

Sutcliff Wins But Utz Now Tops Standings

Dick Sutcliff rode from the pole position through to the feature race win in one of his identical twin black No. 40 sprint cars at the Tri-City Speedway Friday.

But Utz gave Sutcliff a serious challenge for the lead in the 18th lap of the 20-lap feature on the half-mile clay oval. When the race continued, Utz kept pace with Sutcliff for three turns.

In making his move to pass, Utz went into a one-and-a-half-revolutions spin. Sutcliff went on to take the checkered flag by himself.

Inches Separate Cars
Utz overtook to take fourth place, Russ Hibbard and Junior Deitzel were in a dog fight for second. Deitzel finished less than a foot ahead of Hibbard.

Others placing in the feature money were Jimmy Moughan fifth, Jerry Canfield sixth, Dick Standridge seventh and Cliff Powell eighth.

With Spalding had been having handling problems with his car all evening. It was the first night for his No. 40 since a chassis-damaging collision at Jefferson City, Mo., the preceding Saturday.

Spalding qualified sixth and was holding his position until the 12th lap, when fourth best qualifier Ronny Taylor was in uncertain control of his auto heading toward the third turn.

In the turn, Spalding struck Taylor and both were out of the race.

With the evening's results, Utz takes the lead of the championship point standing from Spalding. Spalding picked up only 50 points for a season total of 1220 points.

Utz qualified second fastest to the 12th lap, when fourth best qualifier Ronny Taylor was in uncertain control of his auto heading toward the third turn.

RADIANT MISS GRANITE CITY. Ruth Ann Diak receives a warm embrace and congratulations from the retiring queen, Miss Dottie DeWitt. Miss Diak, a 19-year-old brunette with blue-green eyes, is five feet, seven inches tall and weighs 120 pounds. Her measurements are 35-23-35.

Miss Granite City Preparing for State Beauty Pageant

The normal daily life of an attractive 19-year-old girl is usually busy enough but the current schedule of one young miss may appear overwhelming even to the most gregarious and active teenager.

The reigning Miss Granite City — Ruth Ann Diak — while preparing to represent this community in the Miss Illinois Pageant at Aurora, is maintaining a full class schedule at Southern Illinois University's Southwest campus and is working part-time in the SIU-SW research department.

Additionally, Ruth Ann is rehearsing daily to perfect the talent presentation she will perform in the state beauty-talent contest and is trying desperately to get together clothing items and other necessities she will require for the Miss Illinois pageant.

With only a few days remaining before Miss Diak departs for Aurora, the Diak household at 3023 Iowa street is a busy place, according to her mother, Mrs. George Diak.

The recently-crowned Miss Granite City has a sister, Lynn, 11, and three brothers, Bob, 13, David, seven, and George, five, all of whom were present to see their sister win the title in the

County Trailer Park Hearing Set For July 28

A public hearing on new Madison county trailer park regulations will be held at 7 p.m. July 28 in the Madison county courthouse at Edwardsville.

A tentative draft of the ordinance has been developed by the Southwestern Illinois Metropolitan Area Plan Commission and is under consideration by the investigation and license committee of the County Board of Supervisors.

The hearing was called to discuss aspects of the ordinance with industrial interests, and a second hearing for the general public will be scheduled later, according to Edward Vournard of Alton, chairman of the county board committee.

Administration of the trailer park control law would be handled by the county building and zoning official and the committee, according to the SIMAPC proposal.

It would require that a permit be obtained at a fee of \$25 before a mobile home park could be developed. After construction, a final inspection would be required before a license to operate would be issued.

Proposed annual license fees then would be \$50 plus \$25 for each unit above the number specified in initial plans.

According to proposed regulations, trailer park operators must provide concrete pads at least six inches thick and 10x40 feet in dimension. Driveways and accessways must be at least 24 feet wide and contain concrete curbs and gutters.

Paved sidewalks at least four feet wide would be required on both sides of access roads and from the pads to service buildings, and would be lighted at night.

The ordinance calls for service buildings, such as laundry, storage and office facilities, a water supply, fire protection, electrical services and sewage.

Operators would be given five days after notice to correct conditions in violation of the ordinance.

The proposed ordinance stipulates penalties for violation of fines not to exceed \$100 or 90 days in the county jail or both. Each day of violation would constitute a separate offense.

Pre-Teen Party at Paddlers Wednesday

A party for pre-teens will be held from 4 p.m. to 6 p.m. Wednesday at the Paddlers' pool.

Prizes will be given to the winners of games played in the water. Refreshments will be served. Tickets are 50 cents and may be obtained from Mrs. Dixie Griffin or Mrs. Marsha Buenger.

Garment by GC Girl To Go to State Fair

A 4-H club members selected to represent Madison county at the Illinois State Fair at Springfield Aug. 16 and 17 were announced after their participation in 4-H Achievement Days held at Edwardsville Thursday and Friday.

The 12 models who are to participate in the state fair dress review are Ann Doll, Rena Wehling, Sally Lettner and Jane Hans, all of Edwardsville; Rita Pruett, Prairieview; Lynn Nungesser, Grantfork; Leanne Kersmeyer and Debra Sulte, both of Alton; Carol Nungesser, St. Jacob; Patty Blase, Hamel; Susan Stephenson, Collinsville; and Michelle DeCota, South Roxana.

Alternate plans, in order of succession are Cheryl Gertsch, Wood River; Rita Sulte, Alton; Yvonne Meier, Troy; and Vicki Schenck, Prairieview.

Garments made by Kathie Melkamp, Edwardsville; Sue Plecher, Highland; Karen Schliker, Alton; and Marianne Yavin, Granite City, and table covers made by Jane Hans, Edwardsville, and Mary Gorenz, Alton, will be displayed at the State Fair because of outstanding construction.

In addition about 500 food exhibits, 18 five-year room improvement displays and 150 knitted garments were displayed by the 4-H club.

Alpha Baptist Center Led by Rev. Richardson

The Madison County Baptist Association has assumed leadership responsibility for the Lincoln Place Mission, an established landmark in Granite City. The superintendent of missions, Rev. W. J. Richardson, is now acting as the director until final arrangements are made.

Services are being conducted on Sundays, Wednesdays and Saturdays.

The Sunday school for all ages begins at 9:30 a.m., with morning worship at 10:45 a.m. Training Union for all ages is at 6:30 p.m. and worship at 7:30 p.m.

The Wednesday services begin with the Sunbeams at 6:30 p.m., followed by a Bible study of the Book of Acts and then a prayer service at 7:30.

Each Saturday, a youth meeting is held from 7:30 p.m. to 9 p.m. and will feature a "Youth Sing Out" service. Gospel folk singing accompanied by instruments is to be presented each week. Following this service, refreshments and possibly games will be held.

The new name for the Lincoln Place Mission is Alpha Baptist Center. The location is 620 N. Edwards street, across from the Army Depot.

Woman Falls, Stabs Self with 6-Inch Knife

Mrs. Alice Bridgeforth, 4457 Highway 162, was admitted to St. Elizabeth Hospital for surgery Thursday night after suffering an accidental stab wound to the abdomen the previous night.

Her husband told Madison county sheriff's deputies that at 9:30 p.m. Wednesday as Mrs. Bridgeforth was walking out the back door, she stumbled and stuck a six-inch steak knife into her stomach.

He said that at the time she said there was no one in the house and that she did not want to go to the hospital, but that pains began Thursday afternoon.

TYPICAL TEENAGE POSE is assumed by Ruth Ann Diak, the newly-crowned Miss Granite City, for her title-winning performance of "I Love You Sandra Dee" from the Broadway musical "Henry, Sweet Henry." The local representative to the Miss Illinois Pageant July 20-25 at Aurora presently is perfecting her routine by rehearsing daily.

Former Addict to Keynote 'Youth March' July 17

Jack Brown, a former narcotics addict and longtime prison inmate, will be the featured speaker at a Youth March and Demonstration Friday, July 17, at the First Assembly of God, 24th street and Grand avenue.

Brown's story is known by millions of young people around the nation as the result of his personal appearances at high schools and colleges each year. His itinerary promises to bring more than a half-million youngsters a season and thousands of others are acquainted with him through his recording, "Jack Tells It Like It Is."

His biography is slated for release by Zondervan Publishing Co. in the fall. Titled "Monkey Off My Back," the book was written by Allen Groff, pastor of the First Assembly of God of Granite City.

Groff relates that the project was begun when Brown was the guest of his congregation two years ago. Brown arrived in town the day before the service and he and Mrs. Brown were taken by the Groffs to Bush Stadium to watch the Cardinals play.

They decided to take a bus from Nameoki Village and, on the way over, Brown began to share some of his background with the pastor. He spoke in what was, for Brown, a whisper, but his deep, gravelly voice echoed throughout the bus.

While he recounted stories of shaving Al Capone and being set on fire in the middle of the night by old Mr. Stroud, the "Bird-man of Alcatraz," the whole bus was silent. During the course of the evening, he said that Zondervan himself had asked Brown for his biography after hearing him speak, but to that time no one had come up with a style and "feeling" for it.

Before the Browns left here, Pastor Groff had agreed with Brown to write three chapters to submit to the publisher. The material was accepted with enthusiasm and the work started in earnest. During the ensuing months, Groff accompanied Brown to various schools and prisons to see the "old con" in action. The manuscript will soon appear in print.

With the theme, "They Shall Know That We Are Christians By Our Love," the march to be held next week is expected to attract more than 1500 young people from this region in a non-reactive, non-political demonstration. Support from Roca, Young Life, CYO and the Youth Committee of the Chamber of Commerce have made the outlook most impressive, the local pastor says.

Teenagers from this area are being invited to participate in the march from the Granite City post office to Wilson Park, where they will be feted by the 150 voice "Up With People" singers, the New Life Singers and various other groups prior to Brown's "tell it like it is" address. Interested persons are being invited to phone 877-8111 for further information.

Surplus Property Sale At GC Depot Wednesday

Surplus property at the Granite City Army Depot will be auctioned at 10 a.m. Wednesday. Those interested in purchasing items at the auction must register prior to the bidding; registration will begin at 8 a.m. on the day of the sale.

Inspection of sale items may be done daily from 9 a.m. to noon and 1 p.m. to 3 p.m. For additional information, persons may contact Lloyd E. Orlor, Property Disposal Division, Building 7-526, Army Depot, telephone (818) 452-7300, Extension 426-484.

Those wishing to receive catalogs of future sales may write to DOD Surplus Sales, P. O. Box 1370, Battle Creek, Mich. 49016.

These are 311 construction and vehicular items to be sold. The items cost the government over \$2,019,000 when purchased new.

On the auction block are a 1965 Ford station wagon, a 37-passenger bus, 20-ton truck mounted cranes, an International Harvester TD-24 tractor, a Caterpillar D-8 tractor, bulldozer blades, diesel and gasoline engines, a forklift truck, power units, centrifugal pumps, 7-14 ton flat bed trailers, one and one-half ton cargo trailers, air compressors and transmissions.

Ewald Geiger, War I Veteran, Dies at 79

Ewald C. Geiger, 79, who formerly lived in The Anchorage died at 9 a.m. Friday at the Soldiers and Sailors Home, Quincy, Ill., where he was a patient for 2 1/2 years. His death followed a stroke.

He was born in New Memphis, Ill., and had lived in Granite City almost all his life. A former employee of the old National Enameling & Stamping Co., he had been employed there for 56 years before retiring.

Mr. Geiger was a member of Concordia Lutheran Church and held membership in American Legion Post 113, the Last Man's Club, World War I Barracks 34 and the International Association of Machinists. He had served in the Marine Corps during world war one.

His wife, Alice, died in 1948. Surviving are one son, John Geiger of Granite City, and three grandchildren.

Funeral services were conducted this morning at the Concordia Church. Arrangements are given in the obituary column.

John Winn, 72, Dies Following Surgery

John F. Winn, 72, of 148 East Hawthorne street, Wood River, died at 6 p.m. Thursday at St. Elizabeth Hospital following surgery he had undergone earlier that day.

A native of Missouri, he had resided in Wood River for the past 23 years. He was a retired aide at Alton State Hospital.

He is survived by his wife, Lucinda; one step-son, James Lucinda; one daughter, Mary Ann; three brothers, Lawrence Winn of Flint, Mich., Caryll Winn of Lucerne, Calif., and Vernon Winn of Chicago; and a sister, Mrs. Lena Cleary of Saginaw, Mich.

Funeral services were conducted at 1:30 p.m. today in Wood River, with burial in Wanda Cemetery, South Roxana.

Police Budget Tops Madison Total at 23%

The Madison police department budget of \$180,528 for the 1970-71 fiscal year comprises about 23% of the total appropriation of \$792,137 approved last week by the city council.

Next in line are the combined street and garbage department budgets totaling \$146,574, or nearly 19%, while the budget for the volunteer fire department is \$47,315, or only about 6%.

The budget comparison by departments:

Computers Will Be Improved But Need for Good Sense Will Remain

By HERMAN KAHN
Director, The Hudson Institute
(Last of Three Articles)

Sometimes businessmen ask me, "If industry is such a small part of our economy, why do we have so many computers?" The answer is, "Industry." Who feeds you? Farmers! Does anybody wish we had any spam of gratitude to the farmer for being fed? Does anybody feel an overwhelming debt to him? No.

Fortunately, in the United States today, farming is a fairly industrial profession, because it's so successful. You can imagine a farmer coming home and telling his wife, "I have doubled production in the south hundred acres," and his wife says, "Gee, that's nice. What else have you done today?"

You know, the New York Times will print it on Page 8, but most of us won't read it, unless we are farmers. The same is becoming true of business.

This doesn't necessarily mean that business will no longer be the center of action.

There are 200 people studying this post-industrial culture; 198 of them argue that business will, in fact, disappear as the center of action.

Ask them, "What is the center of action?" And to 198 of them, the answer, "The University." All 198 are professors.

There are two of us who think that the policy-research organization will be the center of action—I won't mention the names.

In the civil engineering field, changes come slowly; a man who is 55 years old will earn more than a man 45, a man 65 more than a man 55.

In computer technology, you tend to reach a peak salary at 30 to 35, from that point on, you either go back to school or move into management using the computer point of view, or accept a flattening-out of your salary.

In the field of civil engineering, planning, maturity, experience, good judgment, all play extremely important roles. And in the field of computer design, knowledge, courage, expertise, creativity—these are what pay off.

It seems likely that more and more of our society will be run by the first of these qualities and less by the second set. This changes a lot of things.

You always see statements that a computer has intrinsic limits in it; that it can't transcend mankind.

Actually, computers will play chess probably better than any man near you. The computer will not beat a chess player, but neither will you see, it transcends the people who designed the computer.

During the next thirty years, I would assume a factor of improvement in computers of something on the order of a hundred billion. It might be ten, or ten more, but it isn't going to be, say, ten thousand.

If true, then anything you know about computers today will be wildly off, thirty years from now.

If you know that computers have a basic limitation, that you have that information by revelation, not by analysis. No such paper has been yet published.

I would not be surprised to see that, at the end of the century, a computer might give the same kind of talk I am giving, to maybe a group of computers, the "National Association of Computers." I sometimes say, "It won't be as funny, but..."

There are three things going on today in America: a erosion of traditional values; a change of values, which has already occurred; and a search for new values. At the point of the upper middle class, I think the three processes are of equal importance and related to each other.

To illustrate what I mean about changing values, I'll shock this generation to let the young kids in Harvard are the dearest of the generation to follow. But we book, "I Ching," the Chinese book of numbers, is a best-

vation, after a tour of the site directed attention to two key points.

The park is a "natural" because it is situated in the heart of the state's 2,000,000-acre, Chicago's concentration of people, the Madison-St. Clair-Monroe counties of Illinois opposite St. Louis. There is an obvious need for convenient conservation-recreation facilities and the naturally-created lake provides an excellent nucleus.

Like many "overnight" or "instant" accomplishments, the new park was not achieved without long months and years of activity and planning. But, thanks to the interest and foresight of such people as Governor Ogilvie, Director Malkovich, Commission Chairman H. D. Karandjef and many others, the project soon will be making up for lost time. Property acquisition is to start in September—the funds already are appropriated and available—and engineering studies will be launched this fall.

No One on Illinois Pollution Control Board From South of Champaign

We realize that selection of a five-man Illinois Pollution Control Board was no easy task for Gov. Richard Ogilvie and, insofar as we know, he has made very creditable appointments.

But not to have anyone on this extremely important Board to represent the sizable area of Champaign, including this dynamic, highly industrialized bi-county section of Illinois, was a mistake.

We hope that future appointments will not again overlook our area and the large number of counties below Champaign and in Southern Illinois.

Problems Need to Be Solved Reasonably Or They Will Create Other Difficulties

(The Honda, Tex., Anvil Herald)

Every so often in history the climate of government reaches the point where it could be termed a crisis situation, brought on by a minute few of the population who care little about "the good of the country."

Perhaps these people would argue that this phrase is an empty, meaningless group of words. But we cannot agree with them.

We firmly believe in the right of the individual. We firmly believe in the dignity of man. We firmly believe that we must constantly strive to alleviate the many problems of poverty, pollution, education and many others before the country can again raise its head without a blush of guilt.

However, we also believe the solutions to these problems must be sought on a sound, mature, unemotional, reasonable basis.

The solutions must not be sought through the violence of strident and completely unreasoned protest. They must be worked out in such a manner that the new course will be "good for the country."

Government should pay heed to the voices of its people. And we mean voices, for there are many voices in the United States, each seeking something of particular interest. All they are seeking can never be granted; however, each should be heard and serious study given to the problem.

This, then, we believe is the function of government. As Abraham Lincoln pointed out so clearly, "It cannot please all of the people all the time," but it certainly can work diligently toward reasonable solutions that will allow the human suffering, dangers of pollution and the many other serious problems affecting all the people of our country.

The weaker sex is really the stronger sex because of the weakness of the stronger sex for the weaker sex.

Test for Would-Be Court Justices—Precisely Where to Limit Rights?

(Tri-City and Illinois Bar Associations)

If you think you would make a good U. S. Supreme Court justice, here is your chance to prove it.

We have drawn up a number of questions based on Constitutional issues actually decided by the Supreme Court during the past two years.

The questions will test your knowledge of Constitutional rights, your sense of justice and your passion for freedom—all qualities which should be found in any member of the bar or bench.

Of course, most decisions of the high tribunal are split decisions—which means the justices themselves interpreted the Constitution differently.

Nonetheless, for a passing score, you should agree with the majority opinion in at least seven of the following ten cases (answers are given at the end of this article).

1. Is a person only expressing his Constitutional right of free speech when he has his draft card as a protest against the war in Vietnam?

2. In the case of a capital crime, is a person denied his right to an impartial jury when the state and district courts where the crime occurred, if jurors who do not believe in the death sentence are excluded?

3. If a police officer reasonably believes that a crime is being committed and that he may be dealing with an armed and dangerous person, does he have the right to stop and frisk that person for weapons even though he has no ground for an arrest?

4. Can a state, by its own laws, punish a person for speaking, writing or otherwise expressing violent or contemptuous words about the American flag or for burning the flag as a symbol of his contempt?

5. Is a public school student being disruptive and improperly exercising his right of free speech when he wears a black arm band to his classes as a protest against the Vietnam war?

6. Does a person have a right to possess obscene literature in the privacy of his own home?

7. Is evidence obtained by wiretapping admissible in a state court criminal trial in the case of a non-speech element?

8. The search is limited to the immediate area where a person might destroy evidence conducted for weapons or other items?

9. No. The accused has a right to have a lawyer present and not let someone else write his answers?

10. Is an identification administered to a witness by a police officer if it was made at a public "lineup" during which the person indicated for the person who was arrested to have his lawyer present?

ANSWERS: 1. No. The Court held the right of free speech does not protect a limitless variety of conduct of a non-speech nature and there was "sufficiently important government interest" in the case.

2. Yes. No. The search is limited to the immediate area where a person might destroy evidence conducted for weapons or other items?

3. Yes. No. The search is limited to the immediate area where a person might destroy evidence conducted for weapons or other items?

4. No. A person's freedom of speech cannot be denied him because he abuses the flag, and to read it there is no such abuse.

5. No. The search is limited to the immediate area where a person might destroy evidence conducted for weapons or other items?

6. Yes. The search is limited to the immediate area where a person might destroy evidence conducted for weapons or other items?

7. No. The search is limited to the immediate area where a person might destroy evidence conducted for weapons or other items?

8. No. The search is limited to the immediate area where a person might destroy evidence conducted for weapons or other items?

9. No. The search is limited to the immediate area where a person might destroy evidence conducted for weapons or other items?

10. No. The search is limited to the immediate area where a person might destroy evidence conducted for weapons or other items?

MADISONIANS SHOULD SEE COUNCIL SESSIONS

To the Editor:

I would like to encourage the citizens of Madison to start attending council meetings so they can see what Mayor Kozielek is attempting to do to improve our city.

I also feel it is important for the citizens to see their aldermen in action. Is your alderman best representing the citizens' best interest, or is he more concerned with his candidate affiliation?

I think the citizens of Madison will be in for a rude awakening. MADISON WOMAN

COVERAGE AIDED SHIRINE CIRCUS, PARADE HERE

To the Editor:

My attention was drawn to the terrific job you and your paper did for the Air Shrine Circus when it played in our area recently.

Surely it must be satisfying to you as well as to the people we were helping to tell the people we were coming, but to know that you were helping to spread the word of Shriners and their greatest philanthropy.

The weather was not nearly as helpful as you, but we did have a nice parade, and a bit of extra mileage helped us out of the mud at the track. We hope next year will bring better weather so that the people of your area can see a fine show.

Thanks again from a grateful group of Shriners at Alton, Ill., especially those from the Granite City Shrine club, if at Alton can ever lend a hand, please call on us.

OPPOSE MORE NAMEOKI TOWNSHIP ROAD FUNDS

To the Editor:

Citizens of Nameoki township should take notice of a special meeting called by Highway Commissioner Charles Hanks to be held at the township hall, 400 Highway 162, tonight at 8 o'clock to amend his budget.

At a meeting March 31, the people of the township voted to set a budget for the Road and Bridge Fund of \$47,280 and for the Special Hard Road Fund of \$55,000.

This was a figure suggested by the highway commissioner as a total needed to maintain the township roads. However, since that time, Hanks has discovered that the Town Board Auditors will hold him to his budget.

In the past, expenditures were allowed to extend far beyond the appropriation, with no regard to the taxpayers' legal right to vote on the matter.

Apparently Mr. Hanks, finding himself in this new situation, feels that he must ask the people for an additional vote for a total of \$130,980 for the 1970-71 Road and Bridge and Special Hard Road Funds.

The people who are present at the special meeting July 13 will be allowed to vote on the budget amendment, which may seriously affect the tax levy of the coming year.

The fiscal year for the highway commissioner ends Sept. 1, 1970. In the past, this also was disregarded and, as a result of this situation, he finds himself running short of funds for the 1969-70 fiscal year and is also requesting an addition to last year's budget of \$22,000 to carry him to Sept. 1.

We believe that a budget should express only the total amount needed to furnish complete service to the roads of Nameoki township and not cause undue burden on the taxpayers.

Therefore, we urge each registered voter of Nameoki township to appear at this meeting, where you will have a chance to vote for or against the \$88,280 increase proposed by the highway commissioner or to set a figure of your own for the 1969-70 and the 1970-71 fiscal years.

It is the opinion of the Nameoki Township Citizens' Committee that there is no need for such an increase for the 1969-70 fiscal year and there are no warrants that have changed to date.

Come and vote at the hearing and don't let someone else write your money without your knowing how and why it is spent.

CANDIDATE IMPRESSIVE

To the Editor:

While sitting on my front porch the other evening reading your paper, I saw Ray Kozielek campaigning in the neighborhood.

When he reached my house, I asked him to sit with me and let someone else write your money without your knowing how and why it is spent.

I was very impressed by his intelligent and informative answers. His desire to continue serving as mayor of Madison is sincere.

I gave him my views on political figures; uppermost was Jim Hanks, and his interest in the real address and I couldn't help

think that it will apply to Madison at this particular time: Ask what Madison can do for you, but what you can do for Madison.

Mayor Kozielek agreed with me wholeheartedly and I told him he had my vote and support.

The best interests of the city of Madison would be served if Ray Kozielek is elected mayor. Let's all get behind him.

WARD THREE RESIDENT

CLEAR ENFORCEMENT POWER ON POLLUTION

To the Editor:

The anti-pollution package was a 29-bill set of legislation that set up three new agencies, each complementing each other: the Environmental Protection Agency, a single Pollution Control Board and an applied Research and Development Institute on the environment.

A bond issue, if approved by the voters in November, will provide seven hundred million dollars for municipal sewage treatment and solid waste disposal.

The news media variously reported that due to the influence of industry and labor, the law was substantially weakened in the latter days of deliberation. I disagree with this interpretation.

Roof Collapses; One Hurt, Others On Porch Escaped

A woman was injured when the roof collapsed on the front porch at the home of David Candler, 23, of 2127 Nevada avenue, at 2:20 p.m. Friday.

She is Mrs. Barbara Montine, 38, of 704 Kirkpatrick Homes, a sister of Mrs. Candler, who was taken to St. Elizabeth Hospital with back injuries, abrasions and contusions. She was transferred to the Jewish Hospital, St. Louis.

Relaxing on the porch when the mishap occurred were Mrs. Montine, her two children, Karen, seven, and Chris, four, and Mr. and Mrs. Candler and daughter, Shannon, nine months old.

The others virtually escaped injury except for the Candler infant, who was treated at the local hospital for a small cut to the right arm.

At the time of the mishap, Candler and his daughter were sitting on a swing, Mrs. Candler and Mrs. Montine were sitting on steps, Chris was standing behind the swing and Karen was standing at the end of the porch.

Candler told police he had noticed that the porch was pulling away from the house, but that they had moved there only two days earlier and he had not had time to fix it.

The report showed the owner of the house to be Gerald Ramsey, operator of a grocery store at 26th and Benton streets.

Fourth Youth Charged In Burglary-Shooting

Dennis B. Pulley, 18, Collinsville, was taken into custody at 10:10 p.m. Thursday at 2118 Delmar avenue on warrants charging burglary and aggravated battery, and two men were charged with concealing or hiding a fugitive.

Police charged Pulley in connection with the shooting of Fred Riskey, 284 East 27th street, as burglars were fleeing the home of his neighbor last month.

Taken into custody at 11:35 p.m. Thursday were Terry Bridgeman, 22, and Eddie A. Meyers, 23, both of 2116 Delmar, on the concealment charge.

Others charged in the burglary-battery are Larry Hodges, 23, of 3801 Lake drive; Archie Pulley, 18, of 1727 Maple street; and Danny Tubbs, 17, of 2823 Marvill street.

Appearing before Magistrate Mateoson Friday, Pulley, Bridgeman and Meyers asked for preliminary hearings which are pending. Bail was set at \$5000 on each charge for Pulley and \$2000 for the other two.

Mrs. Sonja Wyatt, 25, Dies in Hospital
Funeral services were conducted Saturday in Brighton for Mrs. Sonja J. Wyatt, 25, a daughter of Mrs. Anna Deitz of Granite City. Death was attributed to severe attacks of asthma, for which she was hospitalized for two days at the Wood River Township Hospital; she died there Thursday.

Other than her mother, she is survived by her husband, William E. Wyatt, and four sons, all at home, Billy, Gene, Charles and William, four, Kenneth, two years and Jeffrey, three months.

There are three sisters, Mrs. Leba Stewart of Granite City, Mrs. Irma Cato of Brighton and Mrs. Junita Taylor of Alton; and five brothers, Joseph Glover of Fidelity, John William Glover of East Alton, James and Charles Glover, both of Alton, and Robert Glover of the Great Lakes, Ill., Naval Station.

Suntan Weather in Vietnam, GI Reports

A transconic telephone call was received Friday by Mrs. Ruth Yarbrough, 2836 Edgewood avenue, from her son, Army Pfc. Billy Ray Yarbrough, stationed with the 31st Engineer Battalion a short distance from the Cambodian border in South Vietnam.

The local serviceman, calling by radio telephone, reported he is "feeling just fine." He commented that the weather is "365 days of suntan" and noted he has only 160 days left to serve in Vietnam. He will observe his 21st birthday Aug. 15.

A heavy equipment operator, Pfc. Yarbrough was based in the Phouc Vinh area prior to moving to his current location. He entered the Army last July 28 and was assigned to Vietnam Jan. 2.

The soldier is a 1967 graduate of Granite City high school and was employed at Laclede Steel Co. as a welder. He is married to the former Lana Sue Watson of Granite City.

GC Clean Air Board Meeting This Evening
The new Illinois Environmental Protection Act and its effect upon procedures for local enforcement of pollution control regulations are scheduled for discussion in a regular meeting of the Granite City Pollution Control Board to night. The meeting will be held in the city hall at 7:30.

Henry S. Blumicki, chairman of the board, has urged all members to attend the session. He said it is essential that board members review the municipal program in relation to the new legislation.

The agenda also calls for hearings on citizen complaints and a discussion of a new application for a federal grant to finance expanded enforcement activities.

A report on coke ovens at the Granite City Steel Co. blast furnace plant also is scheduled to be presented during the meeting.

Plan for All-Breed Dog Show Here Aug. 9

A monthly meeting of the Quad-City Kennel club was held at the YMCA last week, with Eugene A. Liska, speaker. Silver Maple Artist Touch, and gave a demonstration on show procedures and grooming. He also discussed care and feeding of this breed.

Main topic of discussion was the All-Breed Fun Match and Obedience Trial to take place Aug. 9 at Wilson Park. The first annual show sponsored by the club will have six judges from out-of-town and is under the direction of Mrs. Rose Ficken, match secretary.

Mrs. Ficken said more dog owners are needed to assist with the show and anyone wishing to volunteer his services is to call 877-3900.

Mrs. Christine Shaffer, president, presided at and gave a report on the club's shikshob stand at the park during the Fourth of July celebration.

Plans to participate in the parade for the Jaycee rodeo at 2 p.m. Saturday, July 18, were discussed.

Grant on Nurses' Role In Total Patient Need
The Nursing Division at SIU-SW has received a \$21,704 grant to continue its undergraduate nursing program.

Money for support of the program, in operation here since the spring of 1964, came from the National Institute of Mental Health.

Miss Doris Edwards, associate professor of nursing, director of the undergraduate psychiatric nursing program which is designed to integrate psychiatric concepts through the total nursing program.

"It is important," Miss Edwards commented, "for nurses to think about more than the physical needs of the patient—medicine, a clean bed, bath, etc. A good nurse is concerned with the patient's overall needs."

Facilities of hospitals in this area, on both sides of the Mississippi, are being used for SIU-SW nursing students' clinical experience. All of these agencies are enthusiastic and cooperating to provide better education for our nursing students." Prof. Edwards said.

2-Year Contract Is Agreed to at Miles Lab Plant

J. S. M. Dashwood, president of the Union Division, Chemical and Atomic Workers, Inc., and Thomas Austin, president of Local 7463, International Union of Oil, Chemical and Atomic Workers, are announcing an agreement between the company and the union on a new two-year labor pact for the Granite City plant.

The new agreement will be signed by the negotiating committees on July 20.

The contract calls for a substantial wage increase in addition to an improved pension program, accident and health provisions, and other fringe benefits.

Miles' Union Division is a major producer of corn syrup, corn starch, citric acid and caramel color. Its products are used principally in the preparation of food and beverage products, as well as in other industries.

Headquartered in Granite City, the Union Division domestic operations include manufacturing facilities in Granite City and Elkhart, Ind.

10 from Here to Be Inducted Wednesday
Ten local men are scheduled to be inducted Wednesday, with 15 due for pre-induction examinations the same day. Those being inducted will report to the Edwardsville post office at 6:30 a.m.

So far this year, 51 Quad-City men have been drafted, compared to 49 in the first six months of 1968. The July 1969 draft call was for 18.

Indecency Charged
Eddie Ray, 17, of 2026 Grand avenue, was arrested at 7:35 a.m. Friday at his home on a charge of indecent liberties.

ABOUT THIS QUESTION:
"Most everyone has auto liability insurance, but think of the equal risk of injuring someone in sports, on trips, or of visitors being injured around the home or on the premises. Even if it doesn't result in a \$100,000 liability award, it's nice to have personal liability insurance to pay the medical costs of injuries to others. Does the Lueders Agency have liability policies for individuals, homeowners or landlords?"

Senator Smith, Stevenson Will Debate on Oct. 2

The Illinois State Chamber of Commerce announced today that Illinois' two candidates for the U. S. Senate will engage in a debate at the annual banquet of the State Chamber on Friday evening, Oct. 2, in Chicago's Conrad Hilton Hotel.

As a climax of the statewide business organization's two-day 52nd annual meeting, Senator Ralph T. Smith and Democratic senatorial candidate Adlai E. Stevenson III will appear face-to-face on the same platform in an hour-long discussion of major election issues.

In announcing the candidate's acceptance of the State Chamber's invitation, President William J. Crowley said the campaign managers of both adversaries have agreed on the conditions of the debate.

Format for the hour-long confrontation is as follows:

In advance of the meeting, each candidate will select three newsmen. The six newsmen will submit to Crowley, the moderator, two questions—one dealing with domestic issues, the other dealing with foreign issues.

Domestic, Foreign Issues
The questions will be reviewed by the moderator, who will select from the 12 questions a total of six—three domestic and three foreign—to ask both candidates. The questions selected will not be shown to the candidates in advance of the debate.

A flip of the coin will determine who responds first, with the rotation alternating for the balance of the questions. Each candidate will be given three minutes to answer each question. Five-minute summations will close the debate, with another flip of a coin determining the order of appearance.

Long-awaited Meeting
"This long-awaited confrontation between two aspirants for the Senate will give Illinoisans an opportunity to see and hear the candidates express their views on the major election issues," said Crowley, chairman of the finance committee of Northern Illinois Gas Co., Aurora.

"The State Chamber is honored that its annual banquet again has been selected as a key platform from which candidates meet in discussion prior to a major election."

"Six years ago, the Chamber was host to the Kennedy-Percy debate; in 1968, the Illinois election campaign managers of both presidential candidates met on our stage. Aside from the election itself, this senatorial debate unquestionably will be one of the year's top political events in Illinois."

The banquet is scheduled to begin at 6:30 p.m. in the Hilton International Ballroom, with the debate portion of the program expected to start at 8:30 p.m.

Jodie White, 41-Year Resident, Dies at 65

Jodie White, 65, of 2124 Dewey avenue, a retired employee of the Nestle Co. died 7 p.m. Thursday at the Jewish Hospital, St. Louis, where he had been a patient for eight days. He had suffered an apparent heart attack eight weeks ago. Born in Savannah county, Tenn., Mr. White moved to this area in 1929.

He was a member of the Briarcliff Apostolic Pentecostal Church. He retired in August 1969 from the Nestle firm, where he had been employed for five years as a custodian.

Surviving are his wife, Rosie; three sons, Grady, Wayne and Jodie Ray White, all of Granite City; four daughters, Mrs. Don (Sarena) Gardner of South Bend, Ind., Mrs. Robert (Edna) Rowlett of Granite City, and Mrs. Dave (Mary Ann) Westlake and Mrs. Charlotte Harris, both of Horseheads, N. Y.; one brother, T. Albert White of Colton, Calif.; and 16 grandchildren.

Funeral services were held today. Arrangements are given in the obituary column.

MR. AND MRS. NORMAN LYERLA, whose wedding took place Saturday at St. John's Lutheran Church. The bride is the former Miss Patricia Alice Pabst.

Lyerla-Pabst Vows At St. John Lutheran

Miss Patricia Alice Pabst and Norman Eldred Lyerla exchanged wedding vows Saturday evening in a ceremony at St. John Lutheran Church, 2001 St. Clair avenue.

The bride is a daughter of Mr. and Mrs. I. H. Pabst, Rural Route Two, Mr. Lyerla's parents are Mr. and Mrs. Eldred Lyerla of St. Jacob, Ill. Rev. Samuel Boda officiated at the 6 o'clock service in a setting of white flowers and greenery, the sanctuary illuminated with burning candles in candelabra.

An Empire gown of white peau de soie with a detachable train was worn by Saturday's bride. It was trimmed with lace medallions at the neckline, on the cuffs and down the front. A veil of illusion was field in place with a peau de soie bow accented with more of the lace medallions. The bride carried a cascade of white roses and stephanotis centered with a white orchid.

Mrs. James Franko, a sister of the bride, as matron of honor, Mrs. Irl Pabst, a sister-in-law, and Mrs. Ralph Buchanan, the bridegroom's sister, bridesmaids, were in blue peau de soie gowns with Empire waists, puffed lace sleeves and bodices scalloped with lace. Blue bows were worn in their hair and they carried bouquets of daisies.

Jackie Wimberly and James Franko Jr., niece and nephew of the bride, served as flower

girl and ring bearer. The former carried a basket of daisies. A reception was held at the American Legion hall on Madison avenue and the newlyweds left for a honeymoon of unnamed destination.

The former Miss Pabst, a graduate of Madison high school, has been employed by Wagner Electric Co. Mr. Lyerla graduated from Granite City high school and is employed in electrical construction. The couple will live in St. Jacob, Mo.

"MEDICINE, RELIGION" JULY MEETING TOPIC

"Medicine and Religion" was the topic discussed by Mrs. Magdalena Smith at a monthly meeting of the Women's Society of Christian Service of the First United Methodist Church of Venice Thursday evening. She was assisted by Miss Marian Cunningham, who also gave opening prayer, and by Madona Groshong and Allene Marston.

It was announced the group made 20 sick calls in the past month. Mrs. Smith closed the meeting with prayer. A luncheon was served to those named and Miss Anna Wilcox, Miss Helen Korb, Mrs. Carol Killian and Miss Janie Jenne.

SOCIETY

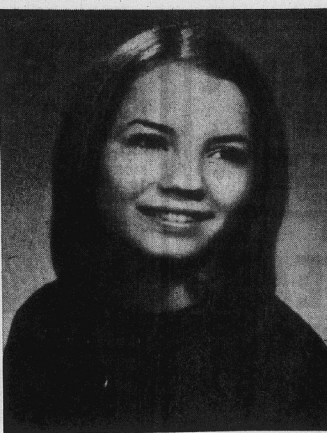

Daughters of Isabella Dinner

The July meeting of Our Lady of Fatima Circle 835, Daughters of Isabella, was held Thursday evening at the Round Table restaurant in Collinsville. Fifty members and guests were seated for the 7 o'clock dinner.

Rev. Lawrence Mattingly, Circle chaplain, gave the invocation. He was seated at the head table, together with Regent Dorothy Hoedebeck and past Regents Vera Carey, Juliana Hoedebeck and Frances Pawek.

Baskets of fresh flowers decorated the tables and were later used as prizes.

A brief business session was conducted by the regent, after which the group was entertained with songs by Dianne Gieszelmann, a daughter of Mrs. Marie Gieszelmann, one of the members, accompanied at the piano by Mrs. Audrey Deeren. The hospitality chairman were Millie Nagel and Juliana Hoedebeck.

ENGAGED. Miss Janice Lee Gordon, whose betrothal to Dennis Warren Isaak, a son of Mr. and Mrs. Marcel Isaak, 3249 Willow avenue, is announced. Wedding plans have not yet been made.

MRS. STEPHEN M. CONWAY. Her wedding took place Saturday at St. John United Church of Christ. Before her marriage, she was Deborah Sue Larner.

Deborah Sue Larner Weds Stephen Conway

St. John United Church of Christ was the scene of the late afternoon wedding Saturday of Miss Deborah Sue Larner, a daughter of Mr. and Mrs. William H. Larner, 1661 Maple street, and Stephen Mathew Conway, whose parents are Mr. and Mrs. J. C. Conway, 2531 State street.

Rev. Paul Surbey officiated at 4 o'clock before the altar, decorated with yellow and white pom poms and greenery.

The bride wore a gown of textured white linen and Venetian lace. Victorian in style, it featured an Empire bodice and a high neck finished with lace. The A-line skirt was detailed with matching lace from the waist to the hem, and lantern-shaped sleeves were cuffed with more of the lace.

A detachable train falling from the waistline was bordered with Venice lace.

The bride's melody-length veil of imported Venetian lace was held in place with a profile headpiece of lace daisies and her bouquet was composed of yellow Sweetheart roses, carnations and baby's breath.

Mrs. Jeff Jones, a sister of the bride, as matron of honor, Miss Cheryl Clark, bridesmaid, and Miss April Ann Adams, the bride's cousin, junior maid, were dressed in sleeveless Grecian type gowns of chiffon with high rolled collars.

The Empire waists were accented with floral daisy trim of leaf green, maize and apricot velvet ribbon running through the trim.

Full cage backs of chiffon swept gracefully down the backs and sides of the gowns.

and matching flowered headpieces with brief bouffant veils were worn in their hair.

The honor attendant and bridesmaid were in avocado, while the junior maid wore maize. All three carried baskets of multi-colored summer flowers.

Michael Lane of Sullivan, Ill., was best man, serving with Daniel Conway, the bridegroom's brother, Jeffrey Larner, the bride's brother, and Thomas Hartnett, a brother-in-law of the bride, groomsmen. The ushers were Greg Larner and John and Jim Conway, brothers of the bride and groom.

For her daughter's wedding, Mrs. Larner chose an imported blue linen coat dress with lace trim, while the bridegroom's mother appeared in a champagne-colored crepe dress. Both mothers wore matching accessories and carried purses to which were attached corsages of white roses.

The wedding reception was held in the "300" Room of the Tri-Mor Bowl. After a trip to Florida, the newlyweds will reside in Granite City.

Both young people attended Granite City high school and graduated from the high school. The bride is employed at First Granite City National Bank. Mr. Conway attended Millikin University in Decatur for one year and is presently attending SIU-SW. He is majoring in biology and will begin his senior year in the autumn.

MISS BRENDA ASHBURN, a bride to be. Her engagement to Sp.5 Larry Conner has just been announced.

Betrothal of Miss Ashburn

Mr. and Mrs. Richard Ashburn, 2430 Logan avenue, are announcing the engagement and coming wedding of their daughter, Miss Brenda Ashburn, to Specialist-five Larry Conner, a son of Mr. and Mrs. Ellsworth Conner, 3022 Circle drive. He is stationed at Fort Knox, Ky. An August wedding is planned, depending upon military orders.

HERE FROM FLORIDA: Mr. and Mrs. Don Williams of Deltona, Fla., former Granite Cityans, are visiting their son-in-law and daughter, Mr. and Mrs. William Belling, 2536 Pine avenue, for two weeks.

Questionable Truth may be the best policy, but many are of the opinion that it's not as convincing.

Pamela Bader Bride Of Roger Bloodworth

Pink and white 'mums on the altar, and white bows on the chiffrons provided the setting Saturday afternoon at St. Joseph Catholic Church for the wedding of Miss Pamela Jean Bader, a daughter of Mrs. Herman Bader, 3208 Willow avenue, and Roger L. Bloodworth, 2653 Highway 67.

The Rev. Martin Mangen officiated at 2 o'clock and a reception was held at 6 o'clock at Augustine's Restaurant in Belleville.

A gown of imported candlelight silk organza was worn by the bride. The Empire bodice had long sleeves and the A-line skirt featured a detachable train. The gown was trimmed with imported Venice lace, and pink bridal satin encircled the waist.

A Camelot headpiece of matching pink satin secured a flowing floor-length veil of silk illusion and the bride carried a bouquet of white roses and a stephanotis.

Music for the wedding was from "Romeo and Juliet."

Miss Cathy Bader, a sister of the bride, was honor attendant, and the bridesmaids were Mrs. Jackie Gubser and Miss Alisa Gasparovic.

They were dressed alike in floor-length gowns of petal pink chiffon. The Empire bodices, with wedding ring necklines, were edged with pastel shades of pink flowers and satin ribbon. The flower trim was repeated at the waistline.

Small hats of pink straw were trimmed with satin ribbon and the attendants carried wicker baskets with pink 'mums and white daisies tied with pink satin ribbon.

Jaimie Nolan and Jeffrey Bader, the latter a nephew of the bride, served as flower girl and ring bearer, the former in

pink chiffon with pink flower trim. Baby doll sleeves of chiffon were edged with the flowers and she carried a miniature basket filled with white rose petals.

Mr. Bloodworth was attended by Bud Feichlin of Chicago, as best man, and Larry Mangaricino, Michael Bader, the bride's brother, and Jay Ridge, groomsmen and usher.

For her daughter's wedding, Mrs. Bader wore a dress of pink chiffon with imported lace trim and pink accessories.

The newlyweds will honeymoon in the Ozarks and, when they return, will reside in Granite City.

Mr. and Mrs. Bloodworth are graduates of Granite City high school and the former attended SIU-SW.

Out-of-town guests here for the wedding were Mr. and Mrs. Robert Breen and daughter of Chicago and Mrs. Ernest Sandeen and Evie Sandeen of South Bend, Ind.

The bride's mother gave the rehearsal dinner Friday evening at the Rose Bowl.

AMVETS AUXILIARY HONORS MRS. CLEMENTS Mrs. Marge Smith of the Amvets Auxiliary presided at a regular meeting last week, with eight members attending. Reports were submitted by committee chairmen. Mrs. Glenda Brockman won the "white elephant" prize and Mrs. Betty Wilkins closed the meeting with prayer.

Refreshments were served by Mrs. Etta Clements and Mrs. Jackie Petras. During a social hour, Mrs. Charlotte Darnal led the group in singing "Happy Birthday" to Mrs. Clements and presented her with a decorated cake and card.

MRS. ROGER BLOODWORTH, the former Pamela Bader, who was married Saturday at St. Joseph Catholic Church.

WCTU Picnic At Wilson Park

A monthly meeting of the Women's Christian Temperance Union was held at Wilson Park Friday evening after a group picnic.

Devotions were led by Mrs. Ruth Lucas on Peter's confession, "Thou art the Christ, the Son of the Living God." Rev. Campbell led prayer.

Mrs. Bethel Davis, president, was in charge and Mrs. Verna Willtrout, recording secretary, reported on the last meeting, held at the Gospel Mission with Mrs. Alice Bates as hostess June 5. A treasury report was given by Mrs. Genevieve Willtrout.

Mrs. Davis read a letter from the state president, Miss Juanita Whisler, asking her to lead the memorial service at the state WCTU convention at Springfield Oct. 6. Afterward, there will be area meetings over the state; nearest to this region will be one at Bunker Hill.

Rev. Campbell reported that, as citizenship director, he has written the president of the senators and representatives to encourage them to use their influence against alcohol and related issues.

A nominating committee appointed to recommend officers for next year includes Mrs. Ruth Lucas, Mrs. Esther Cann, Mrs. Olga Tierney and Miss Norma Chesterman.

OOPS CLUB HONORS MRS. PAT THOMPSON

The OOPS club met Thursday night in the 300 Room of the Tri Mo bowling lanes with the co-leader, Mrs. Virginia Jenkins, presiding. The take off pounds pledge was recited and weights were recorded by Mrs. Jenkins. The treasurer, Mrs. Betty Cox, presented her report.

Mrs. Pat Thompson was crowned "queen of the week" receiving her crown, a fresh fruit basket, and the club's jeweled pin to wear on her reign. Net loss for the club was seven pounds.

A discussion was held regarding diets and exercise plans.

A guest, Mrs. Wanda Belcher, was welcomed. Also present were Mesdames Claudette Baldrige, Barb Butler, Lois Gunderson, Edith Harris, Agnes Kern, Maxine Rowser, and Pat Thompson.

RANDY ROTH HONORED ON FIRST BIRTHDAY

Mr. and Mrs. Glennon F. Roth, 2109 Amos avenue, entertained guests at a party last week honoring their son, Randy Roth, on his first birthday. An animal theme prevailed, and cake, ice cream and punch were served.

Guests were Mrs. Jane Kozielek and son, Kris; Mrs. Donna Brunk and daughter, Nichole; Mrs. Shirley Swiatek and son, Jeff; Mrs. Joyce Schrader and children, Harwell, Eric and Maria; Mrs. Evelyn Johnson and children, Phillip, Wesley and Theresa; Mrs. June Berna and children, Darrin and Maria; Mrs. Mary McDaniels and son, Steve; and the bridegroom's grandmother, Mrs. Mabel Deatherage.

Miss Virginia Setzer, Tommy Bass Married

Miss Virginia Lee Setzer became Mrs. Tommy Lee Bass Saturday evening at Calvary Baptist Church.

Their parents are Mr. and Mrs. Lloyd A. Setzer, 1919 Lynn avenue, and Mr. and Mrs. George W. Bass, 1808 Bremen avenue.

Rev. John Lamb officiated at 7 o'clock. The altar was decorated with yellow and white flowers and greenery.

Light was furnished by tall white candles in branched candelabra decorated with white flowers and long white satin streamers. The candles were lighted by Cheryl and Annette Setzer, sisters of the bride.

For her wedding Miss Setzer chose a white peau satin A-line gown with embroidered lace daisies at the hemline centered with pearls and crystals, and traditional sleeves tapering to points at the hands. The gown had a detachable chapel train and a peau satin sash encircling the waist.

A ballerina-length veil of illusion was secured with an open toe of peau encrusted with pearls and daisies. The bride carried a cascade of white carnations and yellow daisies tied with yellow satin ribbon.

Miss Lane Bass, a cousin of the bridegroom, was maid of honor, and Mrs. Patricia Slatery served as bridesmaid.

Their sleeveless gowns of yellow peau, made alike, had lace daisy motifs down the front to the hemlines. Shoulder-length veils of illusion were held in place with loops of yellow peau. Their flowers were daisies with yellow satin streamers.

Alice Cook, a niece of the bridegroom, was flower girl, and Evan Lee Mason, a cousin

MRS. ROBERT J. MALOTTI, the former Miss Karen Raye Thomas, a daughter of Mr. and Mrs. Raymond Thomas, whose marriage took place Saturday at Sacred Heart Roman Catholic Church.

Karen Thomas Is Bride Of Robert J. Malotti

Another of the early summer weddings taking place Saturday was that of Miss Karen Raye Thomas, a daughter of Mr. and Mrs. Raymond Thomas, 2713 Madison avenue, and Robert J. Malotti, a son of Mr. and Mrs. Albert Malotti, 33 Oaklawn drive.

The ceremony took place at 12 noon at Sacred Heart Catholic Church in a setting of all white flower arrangements and emerald foliage at the altar, together with lighted candles in hurricane lamps down the white-carpeted aisle. Rev. Kevin Sullivan officiated.

Given in marriage by her father, the bride was lovely in a gown of ivory peau de soie. The scalloped, sculptured neckline, enhanced with motifs of imported Alencon lace, was etched with pearls, cut beads and crystals. The same treatment was repeated on the long tapered sleeves, extending into the princess silhouette.

The A-line skirt was banded with lace and a full sweep of coachman train fell from the waistline, repeating the jeweled motif trim.

A tiered bouffant veil of silk illusion was held in place with a profile arrangement of jeweled floral motifs and the bride carried an overarm cascade of gardenias, white roses, stephanotis, and variegated ivy. The bridegroom wore a diamond pendant. The bridegroom's gift.

The bride carried the rings. The former wore a dress of tulle and yellow peau with puffed sleeves and a white satin sash encircling the waist. A half-circle crown with yellow bows was worn in her hair and she carried a satin and lace basket of small yellow flowers.

Daniel Ridgeway, the bridegroom's cousin, was best man and Gerald Slattery, Michael Unfried and Stephen Nunn served as groomsmen and ushers.

The bride's mother wore a blue lent suit, while the bridegroom's mother chose an orchid sheath dress. Both had white orchid corsages.

A reception was held in the church Fellowship Hall directly after the ceremony. The newlyweds will live at 2012 (c) Cleveland blvd.

The former Miss Setzer is a 1970 graduate of Granite City high school. Mr. Bass attended Granite City schools and is presently employed at a Madison service station.

Granite Chapter 650, Order of Eastern Star, met Friday evening to honor 50-year members of the chapter. Mrs. Mary Bilbrey, worthy matron, and Earl French, worthy patron, presided and 70 were present.

The members honored were escorted and introduced in the East. They were Mrs. Grace Branding, Mrs. Iretta Johnson, Mrs. Fairy Bodman, Brinley Bodman and Henry Karandjef.

who received his 50-year pin at this time. The former Miss Bilbrey sang "The Golden Key" by Carrie Jacobs Bond in honor of the 50-year members.

Refreshments were served in the dining room. The table was decorated with flowers and gold lace favors.

The 25-year members are to be honored at the next meeting, when there will be an initiation ceremony at 6 o'clock.

HOELTERS HONORED BY DISABLED VETERANS

Mrs. Irene Hoelter of Granite City, state commander of the Disabled American Veterans Auxiliary and her husband, Ray, were honored guests last week at Joliet, Ill., of the DAV and Auxiliary.

Mrs. Hoelter served as installing officer for officers of the Joliet unit and initiated one new member. She was presented with a corsage and a gift.

Mr. and Mrs. Hoelter attended a dinner Thursday at Alton where awards were presented to junior and high school students of the Alton-Roxana and Wood River area. The students had entered art posters on "hire the handicapped," part of an annual contest sponsored by the DAV on a national basis. Winning posters will go to state competition in Chicago and winners there will advance to national judging in Washington.

GAY 20'S PLAN DINNER
The Gay Twenties Social club made final arrangements for an outing in August during a regular meeting Wednesday evening in the home of Mrs. Kathy Scholebo, 1701 Courtney Blvd.

Reports were given by the secretary, Mrs. Diane Hill, and treasurer, Mrs. Scholebo, and the members offered suggestions for the annual "night out." It was decided to meet at the Rove Bowl restaurant Aug. 8 at 7:30 p.m. for dinner and entertainment; the members will entertain their husbands as guests. Due to the banquet, there will be no monthly meeting in August.

Mrs. Scholebo supervised a game period and everyone was awarded a prize. Sandwiches, tidbits and a dessert course were served to those mentioned and Mrs. Jo Ann Bauer, Mrs. Betty Pike, Mrs. Judy Hainwater, Mrs. Jane Scaggs and Mrs. LaVerne Wimberly.

ORDINANCE NO. 841
AN ORDINANCE MAKING APPROPRIATIONS FOR CORPORATE PURPOSES OF THE CITY OF MADISON, IN THE COUNTY OF MADISON, IN THE STATE OF ILLINOIS, FOR THE FISCAL YEAR BEGINNING MAY 1, 1970, AND ENDING APRIL 30, 1971.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MADISON, MADISON COUNTY, ILLINOIS, THAT:

SECTION 1: That this Ordinance be and the same is hereby termed, "An Ordinance Making Appropriations for Corporate Purposes of the City of Madison, in the County of Madison, in the State of Illinois, for the Fiscal Year Beginning May 1, 1970, and Ending April 30, 1971."

SECTION 2: That the following sums of money be and the same are hereby appropriated for corporate purposes of the City of Madison, Illinois, and for the objects and purposes herein specified for the fiscal year beginning May 1, 1970, and ending April 30, 1971, said sums to be provided by general tax levy upon all the real and personal property within the corporate limits of the said City of Madison and from revenue obtained from sources other than taxation.

SECTION 3: That the appropriation herein of amounts for the payment of unpaid bills or contract liabilities shall not be construed as an appropriation of the said bills or contract liabilities by the City Council, but shall be deemed only as provision by the City Council for a fund for the payment thereof when the said bills have been found to be legal and valid obligations against the City of Madison and have been properly vouchered, audited and approved, or when any such contracts have been approved and authorized by the City Council.

SECTION 4: That the amounts provided for herein as salaries for City Officers and those elected for a definite term, and as compensation of all employees, are hereby fixed as the salaries and compensation to be paid said officers and employees for the services to be rendered during the fiscal year beginning May 1, 1970, and ending April 30, 1971.

Smith Cites Inaction On Anti-Crime Bills

U. S. Senator Ralph T. Smith (R., Ill.) criticized House Democrats for blocking action on President Nixon's crime legislation. The 13-bill administration program was introduced in Congress last year and was passed by the Senate in January 1970; it has been in the House Judiciary Committee for months.

"Crime is one of the most serious problems in America, but the Democratic majority in the House prefers politics to solutions," Smith charged in a press conference at the Decatur Municipal Airport.

County Board Post Unsettled; Meet Wednesday

The question of a successor to the late Milton Allen as a member of the Madison County Board of supervisors remains unresolved today, according to 196 leading county officials.

"Two persons were appointed to the post during a Granite City council meeting last week," Mayor Partney names E. Milton Allen, widow of the late assistant supervisor, but the council refused to concur and appointed Tom E. Alderman Ford Johnson.

The county board will meet at 9:30 a.m. Wednesday, and the vacancy ordinarily would be filled then.

Harold Landolt, county board chairman, was unable to clear the issue today.

Marshall Smith, assistant state's attorney in charge of civil affairs said he had advised attorneys for the mayor and city council to attempt to reach an agreement prior to the county meeting.

Smith said that, according to state statutes and an attorney general's opinion dating back to 1949, the mayor does the appointing and the council has to approve it, but statutes have no provision dealing with council disapproval.

With the credentials of both appointees in question, the county board may refuse to seat either.

Also expected to be on the agenda is an ordinance to create an eight-member public building commission.

At the last meeting, the past several years have been proposed to construct a new addition to the county building, a new county jail which would include sheriff's office facilities, and remodeling of the old courthouse.

A cost estimate of \$6.9 million for the work was made in 1966 by the Southern Illinois Metropolitan Area Planning Commission.

Smith has estimated that the construction projects could be financed by a seven-cent tax rate per \$100 valuation.

Man Arrested with Sawed-Off Shotgun

Venice police arrested Earl Boyd, 27, of 14 Granzer Homes, Madison, for bringing a loaded sawed-off shotgun to the Garrett's tavern, Douglas and Weaver streets, at 5:35 p.m. Saturday.

The man was charged with unlawful use of a weapon and having no firearm owner identification permit.

He also was questioned by federal authorities on allegations that the barrel had been sawed off and that the serial number had been filed off. He said he had found it in that condition a year ago on an East St. Louis dump.

Harvey McClellan, 67, Security Guard, Dies

Harvey McClellan, 67, of 1840 S. State street, Madison, died at 6:30 p.m. Saturday at the Normandy, Mo., Osteopathic Hospital. He had been a patient four days.

Born in Illinois, Mr. McClellan had resided here before moving to Iowa; he returned to the Quad-Cities four years ago. A guard with the Sure Security Guard Co., he retired two months ago. Preceded in death by his wife, he is survived by nieces and nephews.

Funeral arrangements are given in the obituary column.

GC Man Pleads Guilty To Deceptive Practice

Jerry K. Jordan, 25, of 2105 Miracle avenue, pleaded guilty Thursday in the court of Judge Andreas Matosiewicz to a charge of deceptive practice filed by the Pontoon Beach police department. He was fined a total of \$100 plus \$10 costs, and placed on probation for one year.

Pontoon Police Chief Ed Jelf said the charge stemmed from misuse of a Master-Charge credit plate issued to an East St. Louis resident, who said the card was in a wallet previously reported to be missing.

Jordan was arrested at Schermer's XL Hardware store, 4010 Pontoon road, by Patrolman William Luchini of the Pontoon department, summoned when a clerk became suspicious of a customer who made several duplicate purchases, including two electric coffee pots, Jelf said.

A second Granite City man arrested with Jordan and held overnight at the Granite City police headquarters, pending an investigation, was released for lack of evidence, the police chief said. Jordan was in his auto with the second man when apprehended July 8.

Restitution for a \$6.50 gasoline purchase was promised by the defendant. All merchandise purchased at the Schermer's store, plus other items bought earlier the same day at the Sav-Mart store on Collinsville with a total value of \$110, were recovered, Jelf said.

Nameoki's Local Tax Collection To End Friday

Nameoki township taxpayers will have the remainder of this week to make local payment of their 1969 tax bills, Edgar Patrick, township collector, announced today.

Patrick said the local tax collection at the Granite City Trust & Savings bank will continue during regular banking hours through Friday, and then will be discontinued. Payments made after that time must be made to the county treasurer at a penalty of 1% per month.

The collector urged Nameoki township taxpayers to make their payments locally, since the township is allowed to retain 2% of the amount collected as collector's fees.

All excess fees after payment of the collector's salary and expenses go into the town fund.

Patrick said he did not have an exact tally of the amount of taxes paid through last Friday, but estimated the amount at \$500,000. The township is charged with collection of a total of \$1,766,096.

At the same time, Frank Reidelberger Jr., town collector of Venice township, announced collections there will continue through Friday, July 31.

Venice township taxpayers are paying tax bills at the township assessor-collector office at Fourth street and Madison avenue from 9 a.m. to 3 p.m. daily.

Reidelberger said his office has collected \$171,020 in both real estate and personal taxes to Friday afternoon. The Venice township total tax bill is \$3,117,689.

E. R. "Pat" Rich, Granite City treasurer, said collections at his office in the city hall to Friday amounted to \$88,553 in personal property tax and \$336,363 in real estate tax, for a total of \$424,916.

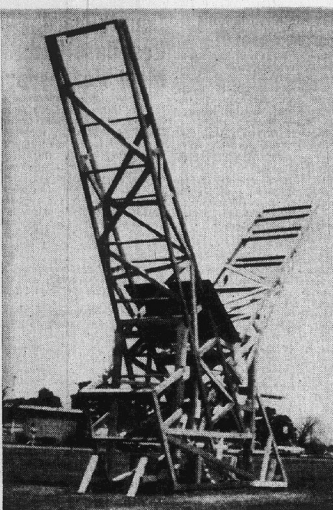

Rich plans to continue local collections at the city hall office through Friday, Aug. 28, because of the large tax bill charged for collection this year. Granite City taxpayers have been billed for a total of \$9,328,714 in local taxes.

Madison County Fed'l Promotes Mrs. Early

At the July board of directors meeting Thursday night, A. H. Froelich, president of Madison County Federal Savings and Loan Association, 3214 Nameoki road, announced the promotion of Mrs. Emma M. Early to executive secretary of the association.

Mrs. Early was born and educated in Van Wert, O., and since that time has lived in various states and countries with her husband, Robert, who followed a military career. Mrs. Early joined the association in January 1969. She was formerly office manager at the Catholic Mounts County, Boy Scouts of America, office.

The Earlys moved to Granite City in August 1967 and reside at 3222 Colgate place with two of their children, Linda and John. Another son, Steven, is in military service in Vietnam and is due to return home in October 1970.

WHAT IS IT? The artistic verbal answer is, "It's not done yet." The artistic "real" answer is, "You can see it on Coolidge junior high school's lawn on Nameoki road." Granite City artist Stanley Hoffman and several GCHS students are working daily on the sizable art object as a summer school sculpturing project. The abstract structure will have a metallic surface when completed. The design was chosen by the school board from among three proposals.

Ogilvie Appoints Four to State Pollution Board

Four additional members of the new State Pollution Control Board have been appointed by Governor Ogilvie, bringing the board to full membership.

Those appointed to the four \$30,000-a-year board posts late last week were: Dr. Samuel R. Aldrich, 38, professor of agriculture at the University of Illinois; a Republican; Jacob D. Dumelle, 45, director of the Lake Michigan basin office of the Federal Water Quality Administration, a Democrat; Richard J. Kissel, 33, division counsel for Abbott Laboratories, a Republican; and Samuel T. Lawton Jr., 51, a Chicago attorney and a Democrat, mayor of Highland Park. Lawton is former chairman of the Illinois Pollution Control Board, which was succeeded by the new board.

Earlier the governor had named David Currie, a University of Chicago law professor, and the governor's former coordinator of environmental quality, as chairman of the new board at \$55,000 a year. Currie is a political independent.

All of the appointees must resign their present positions to give full-time service to the state agency. Under the new environmental protection act which the governor signed June 29, the board will hear and rule on complaints brought by the environmental protection agency headed by Clarence W. Klassen, formerly state pollution technical secretary.

The board also will conduct hearings on private and industrial pollution and set standards for anti-pollution compliance throughout the state. "I look to the men in charge of the Illinois program to use their intellects, their integrity, and their expertise to produce the hard decisions that will be necessary now and in the future," the governor said.

Illinois Power Files For Fuel Rate Base

The Illinois Power Co. has filed with the Illinois Commerce Commission a proposed change in its schedule of electric rates as based on fuel consumption and transportation costs, it was reported here today.

A spokesman at the Granite City area office said the change would not result in any initial change in rates, but would establish a base for increasing or decreasing in the future rates in accordance with fuel usage and transportation costs.

These rates, he said, only permit the company to increase the rate in a proportionate amount necessary to pay for higher cost of fuel and a higher cost of transporting fuel in the event such increases develop.

The proposed change does not constitute a general rate increase for electric power, he said. It would apply to residential service, general service, municipal electric service, temporary emergency service and electric service to rural cooperatives for resale.

Booth Hospital Staff Honors Harold Thomas

Harold V. Thomas, who recently retired as director of Special Education Region I, covering the combined school districts of Granite City, Madison and Venice, was honored Thursday by officials of Booth Memorial Hospital, St. Louis, for his contributions to the hospital's high school extension program.

During informal ceremonies held at the Salvation Army's residence-hospital facility at 3740 Marine blvd., St. Louis, Thomas was presented with an inscribed plaque.

Several local teachers who instruct in the hospital's academic program attended the function, which also marked the program's fifth anniversary.

The educator was cited for his role as consultant and organizer of the academic instruction program at Booth Hospital. Several years ago, extension classes were started at the facility to enable girls in residence to continue or complete their high school education, rather than be classified as "dropouts."

In 1965, Thomas became a voluntary consultant at the hospital and, primarily through his efforts, an academic program was developed, geared mainly to assisting unmarried mothers from Madison county in residence at the hospital.

The former local school official graduated with a bachelor of arts degree from Washington University in St. Louis and a master degree from the University of Illinois. He began teaching in the Granite City school system in 1933. He later became a school principal here and then a visiting counselor, assigned to all schools in the local district.

He also has served as president of the Council on Exceptional Children, president of the Coordinating Youth Services and Children of the Madison County Mental Health Association.

The award recipient has agreed to remain as a voluntary consultant to the Booth Hospital school.

Two Stop Sign Tickets

Stop sign tickets were issued Thursday at Johnson road and Edgewood drive against David L. Young, 3033 Dale avenue, and Hedy R. Barth, 58 Riviera drive, who also was given a speeding ticket.

Summer Job Program For 55 Youths in GC

By VALERIE EVENDEN
"These young people are doing a fine job and they are receiving good training for the future," Mayor Donald Partney commented Friday in discussing the 55 boys and girls hired in Granite City through the Neighborhood Youth Corps in-school program.

"It makes me proud to see so many young men and women who have worked in this program in previous years now employed in good jobs around town," the mayor said. "They do such good work, we are pleased to recommend them for positions in private industry when they complete high school," he added.

Of the 55 young people hired under the summer program this year, most are assigned to tasks in city departments and some are situated in jobs provided by welfare and service agencies and by local church offices.

Originated 4 Years Ago
Mayor Partney originated the in-school job program here four years ago, with only six or eight teenagers involved in the initial project. The program has expanded yearly, with 51 enrollees employed in 1969, increasing to the 55 this year.

Youthful employees receive \$1.45 per hour and work a 26-hour week during the ten-week program.

A few spots still remain unfilled, with prospective applicants invited to call Mrs. Lillian Douglas, at 876-2383, for information relating to necessary qualifications.

Those eligible for employment through the NYC program are youths 16 years of age or older, whose family income conforms to factors set forth in federal guidelines, the mayor explained.

Most important, he stressed, the young employees must be planning to return to school this fall.

Federal, Local Funds
A major portion of the program funds is provided by the Neighborhood Youth Corps, a project of the Bureau of Work Training Programs under the U. S. Department of Labor operating in Madison and St. Clair counties.

Additional funding assistance was furnished the last three years by the Tri-Cities Chamber of Commerce, the Associated Retailers and Civic Association, the Downtown Granite City Shopping Center Association and the city of Granite City.

Enrollees are assigned to various tasks under the direct supervision of department supervisors. Mayor Partney emphasized that none of the youngsters are performing work normally done by regular city employees.

The number of youths assigned to different departments and agencies is: police department, two; treasurer's office, three; city painter, city hall maintenance, inspector's office and city clerk, one each; humane shelter, four; city treatment plant, three; assessor's office, one.

Granite City public library, one; Boy Scout office, one; Granite City park district, nine; YMCA, three.

St. Elizabeth Hospital and Granite City Housing Authority, six each; Coordinated Youth Services, two.

Grace Baptist, West 22nd Street Baptist, First United Presbyterian and Central Christian churches, one each; St. John United Church of Christ, three; and St. Elizabeth Catholic Church, two.

State Investigation Of Auto Repair Prices

Illinois Attorney General William J. Scott last week ordered a full-scale statewide investigation of alleged price fixing and other restraints of trade in the auto repair industry.

His action followed a ruling by Judge William R. Nash of the Winnebago county circuit court, who upheld Scott's right to subpoena records and witnesses in antitrust investigation, as provided in the 1969 state antitrust law.

East European Friends to Hold Benefit Picnic

The Slavic and East European Friends of SIU-SW will hold a benefit picnic July 19 at Chambers Park on Highway 140, off U. S. 67. Proceeds will be used to provide honors awards and financial assistance to SIU-SW students.

John Spiller of St. Louis, president of the Slavic and East European Friends, says there will be plenty of European food available — lamb, klobas and polka including.

Admission to the picnic is \$1 per car, which will include dancing to Butch Bucherich's recording polka band and surprise entertainment for children. Food, coffee and soft drinks are extra, Spiller said.

At the picnic, a display of home-made products of Slavic and East European Friends, who donated 25 rose bushes to be given at the picnic, will be shown.

More than 5000 books and other publications have been presented to the SIU-SW Lovejoy Library by the Slavic and East European Friends, who organized "to maintain an association of interested persons to preserve and foster Slavic and East European culture and traditions in the United States."

William Gushoff of Madison is vice-president of SEEP and Irena Brzezinska of St. Louis is secretary.

Liquor Charges Filed

Jerry M. Harrison, St. Louis, was charged with illegal transportation of liquor, and four passengers in his auto were charged with illegal possession after they were stopped by police at 2 a.m. Friday at 20th street and Madison avenue. The officers were Richard Vlen, Gerald Lyden, Richard Benstap and James Bleicke, all of St. Louis. They were released on cash bail of \$25 each.

SPECIAL INTRODUCTORY PRICE!

The new SPINAL-GUARD mattress by King Koll is apt to provide more support to the middle of the mattress, where the heaviest part of your body is.

This illustration shows your sleeping position on a mattress that does not give adequate support. The entire part of your body can actually sag down and out of the normal position this way.

Here's SPINAL-GUARD at work providing more support where it's really needed to keep your body in sleeping position.

The sections at either end of the water support area are built for maximum support. The SPINAL-GUARD non-sag water construction is filled with non-allergic cushioning and covered with a San-Septic, heavy duty fabric hygienically treated to resist germs and bacteria.

The companion box spring with its built-in support provides the firm base for the SPINAL-GUARD mattress. In fact, it is used at the center sides of this unit to further reinforce the critical area.

Take a look at the new King Koll SPINAL-GUARD mattress and box springs now and take advantage of the special low introductory price. You could be sleeping in better position tonight!
